Officers applied a tourniquet and saved the victims arm and life. All four juveniles were arrested. SROs played a big part in arresting the juveniles.

On October 14, 2021, a motor vehicle containing two passengers crashed into a house o Young Dixon Way. Suspects fled the scene, Officers checked the residence and no one was inside. Officer Pennoyer was simultaneously out with two suspects that matched the description of the passengers in the car. Officers did a fantastic job with their investigation and an arrest was made. Thank you Officers Pennoyer, Cooper, Becroft, Gale, Montanaro, Baines, J. Edwards, Inverno and DiNardo.

On October 30, 2021, Officers responded to shots fired at Ludlow Street. Officers and CSU team canvassed the area and gathered pertinent information.

Between September 24 and October 18, 2021, Stamford had nine commercial burglaries. SPD decided to put a team of officers in the areas that were being burglarized. Officers were able to arrest a suspect.

On October 14, 2021, Officer Buehler arrived on the scene of a pedestrian vs. car at Washington and Travis. An 18-year-old female victim was struck and taken to the hospital where she is still in the ICU.

October 31, 2021 Road Rage at Strawberry Hill Avenue and Rock Spring Road. Female was not happy with the way the male victim was driving and pulled up next to him and pointed a gun at him. Officers were able to make contact with the owner and the suspect came into Headquarters where the victim identified the suspect. The suspect's gun and expired CT pistol permit were seized. Great work by Officer Bossone and Zack.

Assistant Chief Redd explained to the Commission how the JRB works. We have a panel of officers, court personnel, etc. They give the juvenile a chance to take ownership of their offense and they could be allowed to sign a contract that is three months long.

On October 13, 2021 BHU, officers Sgt. A. Molina, Sgt. Kennedy, Officer Daly and LCSW/MSW liaison Carolina Rodriguez have been working tirelessly with offering assistance to the homeless and at risk residents in the downtown area. Sgt. Molina and Officer Daly spoke to a victim of alcoholism and transported him to 135B (Stamford Hospital) where he said he wanted to go into detox. Carolina called First Step and she arranged for a room for this person. They would meet the next day and to everyone's surprise the male showed up with a friend who also wanted to get help. Arrangements were made but transportation was an issue so Officer Daly and Sylva were assigned to transport these two men to First Step. On the way Officer Daly and Sylva purchased cigarettes and lunch for both the individuals. Awesome job!
