Survey Project- The commission continued to review and discuss the survey results. Commissioners Lombardo, Peterkin and Temlock Teichman worked on the survey results to list the agencies in the "other" categories for survey questions 1, 6, and 9b. The commission decided not to review questions 8a and 8b because those questions are related to the Emergency plan. The commission will invite the Emergency Service plan department to come and talk with the commission regarding the city's emergency service plan at the December meeting.

Next steps:

Commission to determine top 3 areas or need/concern based on the survey results.

Determine the protocol for calling a hearing meeting

Prepare a public invitation for hearings.
