Item 2	Update: URC Agreement- Amended to Request for Approval of Repayment & Security Agreement between the City of Stamford Urban Redevelopment Commission ("the URC") and the City of Stamford ("the City").	Approved
	<i>Action Requested:</i>	6-0-0
	<i>Amount:</i>	Motion
	<i>Fund/Budget:</i>	G. Bosak
	<i>Submitted by:</i> Michael Pollard, Chief of Staff	Second
	Video:00:05 On a motion by Mr. Bosak, which was seconded by Ms. Rinaldi, the Board agreed by a vote of 5-0-0 to add this item as amended, under suspension of the rules (Mr. Williams arrived shortly after this vote was taken). Chief of Staff Michael Pollard advised the Board that an agreement to provide the URC with a loan to repay Trinity Partners for a security deposit owed had been reached. Under the terms of the agreement, the URC must pay the City the full amount of the \$300,300 loan plus interest at the legal rate on or before December 31, 2016. The City was provided a priority lien in the URC's entire portfolio of assets which include an obligation by Trinity to pay \$1.6M to URC upon closing of land which is expected to occur no later than the City's due date of 12/31/2016. Ms. Rinaldi stated that she believed it was shameful that the City was called upon once again to 'bail' out the URC, who must get their financial house in order. Mr. Gabriele concurred, stating that bad behavior should not be rewarded. Mr. Pollard stated that this was a developer who did a good job, and that he must be made whole for his work in our City. In response to a question from Chairman Louizos, Corporation Counsel Vicki Cooper advised that the title search was done, and that the City was well secured by the terms of this agreement. Ms. Rinaldi wanted to know what would happen if URC did not pay Trinity or if Trinity failed to close on the property, to which Mr. Pollard advised that the City could take the property which was worth much more than the money owed the City. Chairman Louizos stated that the Administration did what it could to protect the City and avoid a lawsuit. On a motion by Mr. Bosak, which was seconded by Mr. Williams, the Board then acted by unanimous vote to approve this agreement.	D. Williams

Video: 00:27	Youth Services Director Drew reported that the reason for this transfer is that, due to a reorganization, instead of keeping two part-time positions, YSB is creating one full time position of Restorative Justice Coordinator. Ms. Rinaldi asked how this affected benefit costs. OPM Director Hricay advised that since it was one position instead of two separate individuals who each had benefits, the cost would decline. In response to a question from Mr. Gabriele, Mr. Hricay stated that both the State & City contributed funds for this program.	R. Freedman

	Fund/Budget:	Capital: New	G. Bosak
	Submitted by:	Lou Casolo, City Engineer	Seconded
Video: 00:32	<p>City Engineer Casolo advised that these funds were needed to cover the cost of preliminary items such as needs assessment, site studies, etc. relating to the construction of a new Police Headquarters on this site, noting that the \$45M was contained within the Capital Budget, but did not include these initial costs. Ms. Rinaldi wanted to know why these funds were being sought now, when the City did not yet have title to the property. Mr. Casolo reported that while the Director of Administration was working on finalizing the purchase, there was also the issue of moving the Stamford Museum structure, which due to its historical significance, must be taken apart and then put back together on the new site, and they were being proactive. Mr. Gabriele asked how the \$500K figure was arrived at. Mr. Casolo said that the funds were a placeholder as they did not have estimates yet, and that they did not want to lose momentum in the project once all of the funds were approved. Mr. Freedman remarked that he preferred that the project be capped at a \$45M total cost. In response to a question from Mr. Gabriele about the adequacy of the site size, Mr. Casolo added that the programmatic needs built growth estimates into their figures. Mr. Bosak made a motion to move the item, which was seconded by Mr. Gabriele and approved by a vote of 4-2-0, with Mr. Bosak & Ms. Rinaldi dissenting.</p>		S. Gabriele
