BOARD OF EDUCATION

Advisory Opinion

Item 2	Pursuant to City of Stamford Charter Sec. C6-20-7 (c), request for Advisory Opinion to the Board of Representatives regarding the stipulated agreement between the Board of Education and the Stamford Board of Education Association: SEA Employees for the period July 1, 2016 and ending on June 30, 2018.	Letter to be Provided
	<i>Action Requested:</i> Advisory Opinion	
	<i>Amount:</i> \$	
	<i>Fund/Budget:</i>	
	<i>Submitted by:</i> Stephen Falcone, BOE Human Resources; Exec. Director	
Video: 00:08	BOE Attorney Tom Mooney advised that some items could be discussed in open session that did not involve strategy related to this stipulated agreement. Chairman Freedman asked that he review as much as possible in open session. Vice Chair Rinaldi stated that since this was a stipulated agreement or a 'done deal', then it made no sense for the Board to provide an advisory opinion as requested since this opinion would carry no weight. Mr. Mooney stated that he valued the Boards perspective on this agreement nonetheless, and did not want to bypass the Boards. He then reviewed the circumstances which led to the stipulated agreement, noting that after five negotiation sessions and a lengthy mediation session, the parties were unable to reach agreement so arbitration proceedings commenced on October 30, 2015. Since the parties continued to communicate informally, at a final off-the-record meeting on November 13 the SEA substantially changed its position on key issues in arbitration, including co-insurance, and the parties were able to resolve all issues in dispute. Specifically, important changes in insurance benefits such as a high deductible health savings account plan, changes in severance benefits, and average salary increases of 1.5 % & 2.25% over 2 years significantly reduced future liabilities. Mr. Mooney then advised that he would like to share strategy related issues, recommending that the Board enter executive session for this purpose (video:00:52). On a motion by Mr. Williams, which was seconded by Ms. Rinaldi, the Board then agreed by unanimous vote to enter executive session. Participants in executive session included Board of Finance Chairman Richard Freedman, Vice Chair Mary Lou Rinaldi, Members Dudley N. Williams, Sal Gabriele, and David Kooris. Also participating was BOE Attorney Thomas B. Mooney, President Geoff Alswanger, Finance Director Hugh Murphy, Director of Human Capital Stephen Falcone and Insurance Advisor Robert C. Lindberg. After approximately 18 minutes, the Board exited Executive Session, with Chairman Freedman stating that no action was taken.

Relocation Services

Item 9	Request for Approval of Additional Appropriation in the amount of \$50,000 to pay for outstanding hotel bills for emergency housing, food reimbursement, moving expenses and rehousing in accordance with State Mandated Uniform Relocation Assistance Act.	Approved
Action Requested:	Additional Appropriation	5-0-0
Amount:	\$50,000	Motion by
Fund/Budget:	Contingency	M. Rinaldi
Presented by:	Anne Fountain, Director of Health	Second
Video: 01:10	Sharona Cowan advised that this expenditure was incurred due to a State of Connecticut mandate that requires the City to relocate tenants who are forced to vacate their premises due to housing code enforcement issues. Ms. Cowan advised that the City could recoup the funds after a re-finance or sale resulting from a lien which was put on the deed. Mr. Kooris suggested that the City should not issue building permits for such properties until the funds were collected. Ms. Cowen added that there was also 18% interest assessed. Ms. Rinaldi made a motion to approve, noting that the City was obliged to relocate these families. Mr. Gabriele seconded this motion, and the item was approved by unanimous vote.	S. Gabriele

Demolition of Building: 200 Strawberry Hill Avenue

Item 10	Pursuant to Section 9-10 of the City of Stamford Code of Ordinances, Request for Recommendation/Approval of demolition of Convent Building located on the Strawberry Hill Avenue site, which per the City Engineer is not feasible for renovation in connection with developing the property as a new Inter-district Magnet School.	Approved
Action Requested:	Demolition Recommendation/Approval	5-0-0
Amount:	\$	Motion by
Fund/Budget:	Capital	D. Kooris
Submitted by:	David Martin, Mayor	Second
Video: 01:15	City Engineer Casolo advised that they were seeking approval for demolition of the convent building on the site of the new magnet school due to the fact that this building is not conducive to renovation. He explained that the building had old systems in place that are at the end of their useful life and also had low floor to ceiling clearance unsuitable for a new HVAC system. The funds for this demo, as well as the Perkins agreement amendment (below) will come from the \$55M Capital project approved in June along with the additional \$12.4M which the Board of Finance approved in August, 2015 for the construction of the new school. Mr. Casolo advised that there were no objections to this demo. Chairman Freedman remarked that Mr. Casolo was doing a heroic job in moving the school project along to keep it on schedule.	D. Williams

Approval of Agreement

Item 11	Request for Amendment to Agreement between the City of Stamford & Perkins Eastman for Design Services for a K-8 Inter-district Magnet School which will accommodate 900 students as opposed to the originally planned K-5 school which would accommodate 720 students.	Approved
	Action Requested: Approval of Agreement	5-0-0
	Amount: \$639,474; Total Cost of Phases 1-3: \$3,625,594	Motion by
	Fund/Budget: Capital	D. Williams
	Submitted by: Lou Casolo, City Engineer	Second
	Video: 01:22 Mr. Casolo explained that this agreement represents the final Phase (#3) of design services for the new K-8 inter-district magnet school. Mr. Williams asked if the additional cost was being driven by the move from a K-5 to a K-8 school. Mr. Casolo explained that the City received an additional \$12M in funding and due to the accommodation of 900 students versus 720, a larger building was being constructed which would cost more money. Assistant Superintendent Lucero added that the building was increasing from 115K to 129K square feet. Mr. Casolo stated that he needed time to design the building, bid it and build it and had just enough time to accomplish these steps. On a motion by Mr. Williams, which was seconded by Mr. Kooris, the Board then acted by unanimous vote to approve this item.	D. Kooris

	Video: 01:30 The Board welcomed Jay Fountain as new Interim OPM Director. Mr. Fountain stated that the major points of the 1 st quarter result indicated a shortfall as of September, 2015 of \$4.4M. He explained that this shortfall is largely caused by a shortage in revenues, particularly in building permits, current year taxes and the Parking Fund (which they are looking into). Mr. Fountain explained that since the City overestimated the amount of tax that would be collected (noting the tax collection rate was set at 98.9), they didn't have enough reserve for the tax appeals which were higher than expected. Both Chairman Freedman & Vice Chair Rinaldi asked that more information be provided at the Mill Rate Setting related to this, which Director of Administration Handler assured they would do. Mr. Gabriele asked that they provide a listing of the commercial property owners that were appealing, which DOA Handler suggested

	could be handled by the Tax Collector. Mr. Freedman stated that it looked like contingency was being used to fill the gap comprised of \$1M for the Board of Education and \$800K for the City. Mr. Handler added that while the projected \$6.2M Smith House loss would be ameliorated, this would not be shown until later in the fiscal year. He then advised that his intent was to retain Smith House Finance Director Robitaille and a seasonal position to help them collect the outstanding Medicare and Medicaid reimbursements which amounted to \$2.5M.
