VII. Initial Tenant Eligibility

The BMR Units shall be available to those earning not more than 50 percent of the median household income, adjusted for household size, of the Stamford Standard Metropolitan Statistical Area ("SMSA"). The AHM and Harbor Point shall encourage the occupancy of BMR Units by families with Section 8 vouchers or other governmental housing assistance.

VIII. Affirmative Fair Housing Marketing Plan.

The availability of the BMR Units at 111 Harbor Point shall be publicized using the State regulations for affirmative fair housing marketing programs as guidelines (Schedule G). The purpose of such efforts shall be to apprise residents of municipalities of relatively high concentrations of minority populations of the availability of such units. The AHM shall also provide such notices to the Zoning Board. Such notices shall include a description of the available BMR Units, the eligibility criteria for potential renters, the maximum rental price (as hereinafter defined), and the availability of application forms and additional information.

Using the above-referenced State regulations as guidelines, dissemination of information about available affordable and market rate units shall include:

If the Applicant's financial disclosures indicate that the Applicant may experience a significant change in the Applicant's future income during the twelve (12) month period, the AHM shall not consider this change unless there is a reasonable assurance that the change will in fact occur. In determining what is and is not to be included in the definition of family annual income, the AHM shall use the criteria set forth in Schedules B and C.

XII. Maximum Rental Price.

Calculation of the maximum rental price ("Maximum Rental Price") for a BMR Unit, so as to satisfy the BMR Unit Regulations, shall be determined, maintained, and updated annually when the AMI and Utility Allowances are published by the AHM. Such calculation shall utilize the median household income statistics of the SMSA, as in effect on the day a rental application is accepted by the AHM. The AHM may make such adjustments to calculation factors, except those expressly dictated by the BMR Unit Regulations or published data sources, as are necessary to achieve the goals of the BMR Unit Program. Nothing set forth in these Qualification Standards should be construed to be a guaranty by Harbor Point that residents of this community have not been convicted or plead guilty or "no contest" to any misdemeanor or felony involving sexual misconduct.

Guarantors/Increased Security Deposits

- Guarantors may be permitted based on the applicants' score. Guarantors' gross annual income or savings must be sufficient to cover the annual rental rate in order to support their

current housing payments and that of the applicant(s). Guarantors must meet all other qualification standards listed. All lease-associated paperwork signed by Guarantor must be notarized if not signed at the Leasing Information Center in the presence of an Harbor Point office associate.

- Increased security deposits may be permitted based on the score. The increased security deposit will be equivalent to one (1) month's rent unless otherwise dictated by law.

Roommates

Each resident and Guarantor is jointly and severally (fully) responsible for the entire rental payment as well as all community rules and policies. Management will not refund any part of a security deposit until the apartment is vacated by all leaseholders.

Affordable Housing Program/Below Market Rent Programs

Applicants for the Affordable Housing Program/Below Market Rent Program (if applicable at this community) must be qualified based on the governing authority's income classifications. The income ranges are derived from the maximum low/moderate income. Please reference the Affordable Housing Rent/Income Guidelines to determine eligibility. Affordable Housing Program/Below Market Rent Program guidelines supersede these Qualification Standards.

Occupancy Guidelines

Governed by state, city, and local ordinances. In the absence of any more stringent requirements by the aforementioned agencies, the standard occupancy guidelines will be a maximum of two (2) residents per bedroom. Residents under the age of 18 months will not be considered in the occupancy guidelines. An occupant will be considered a resident and must be listed on the lease agreement if they reside at the premises more than 50 percent of the time.

NOTE: Den/study areas are not considered bedrooms.

**SCHEDULE E
STAMFORD ZONING REGULATIONS
BMR UNITS,
ARTICLE III, § 7.4**

SECTION 7.4 – BELOW MARKET RATE DWELLING UNITS

A. FINDINGS

It is the public purpose and policy of the City of Stamford, the Southwestern Regional Planning Agency and the State of Connecticut to achieve a diverse and balanced community with housing available for households of all income levels. Economic diversity fosters social and environmental conditions that protect and enhance the social fabric of the City and are beneficial to the health, safety and welfare of its residents and to the environmental quality and economy of the region.

The Stamford Master Plan 2002 has documented a growing affordability gap between the supply of housing and the demand for housing. This affordability gap is driven by several broad trends including the fact that home sale prices have grown as fast or faster than household earnings, that rents in newer apartment developments are well out of reach of most low and moderate income households, and that the limited inventory of affordable market-rate apartments and condos coupled with the inventory of assisted housing units is inadequate to meet the demand for affordable housing.

A significant cause of this affordability gap and crisis in the availability of a diversity of housing opportunities is the rapid increase in employment in the City. Employment in Stamford increased by 8,000 jobs between 1980 and 1990 and is projected to add 9,000 more jobs by the year 2000 and an additional 7,700 jobs by the year 2010.

The Master Plan establishes the goal of providing decent, affordable housing for all of the residents of Stamford, whatever their economic conditions. To address the continuing loss of affordable housing, coupled with the increasing affordability gap and growing housing demand, the City of Stamford has established the goal of producing a minimum of 8,000 affordable housing units, in addition to what is currently available.

The Master Plan recommends, as a key element of a coordinated housing strategy, that the City's Zoning Regulations incorporate a mandatory inclusionary housing requirement, with appropriate incentives, consistent with established planning principles and contextual development.

The inclusionary housing program defined herein is necessary to provide continuing housing opportunities for low and moderate income households and working people. It is necessary to

help maintain a diverse housing stock and to allow working people to have better access to jobs and upgrade their economic status. The regional trend toward increasing housing prices will, without intervention, result in inadequate supplies of affordable housing and will negatively impact the ability of local employers to attract and maintain an adequate work force. Because remaining opportunity for new residential development within the city is limited, it is essential that a reasonable proportion of new development be devoted to housing that is affordable to low and moderate income residents and working people.

Therefore, to implement the policies of the Master Plan, it is essential that new residential development contain housing opportunities for households of low and moderate income, and that the City provide a regulatory and incentive framework that ensures development of an adequate supply and mix of new housing to meet the future housing needs of all income segments of the community.

B. AUTHORITY

These regulations are enacted under the authority of the Charter of the City of Stamford and Section 8-2(i) of the Connecticut General Statutes.

C. STANDARDS

The purpose of this section is to establish uniform definitions, standards and procedures to apply in all cases where Below Market Rate (BMR) Dwelling Units are required under the terms of these Regulations. Standards for the level of affordability and the number of required BMR units and other special standards are established separately by zoning district and are stated elsewhere in these Regulations.

1.) The term "Below Market Rate Dwelling Unit" (BMR) shall be defined to be a dwelling unit restricted as to sale or rent based on the most current statistics of median family income for the Stamford Standard Metropolitan Statistical Area (SMSA) as published and periodically revised by the U.S. Dept. of Housing and Urban Development. The criteria for pricing one-bedroom BMR units shall be the SMSA median income for families of one and one-half; two-bedroom BMR units shall be priced based on the SMSA median income for families of three persons; and three-bedroom BMR units shall be priced based on the SMSA median income for families of four and one-half persons. BMR units offered for sale shall be limited to a selling price that is affordable to a purchaser with an income not exceeding the criteria family income, according to unit type as set forth above, based on industry-standard mortgage underwriting guidelines, and based on prevailing interest rates and a ten percent (10%) down payment. BMR units offered for rent shall be restricted to a maximum annual rent, inclusive of all basic utilities except telephone, not to exceed 30% of the criteria family income, according to unit type as set forth above.

Rental restrictions shall remain in full force and effect for so long as the building or development exists, and shall be administered in accordance with written guidelines as adopted

and periodically revised by the Zoning Board. BMR units offered for sale shall remain subject to resale controls for so long as the building or development exists, and shall not exceed a resale price equal to the current BMR sale price for a comparable unit, as set forth above. The allowable resale price may be reduced if the physical conditions reflect abnormal wear and tear due to neglect, abuse or insufficient maintenance. BMR sale and resale requirements shall be administered in accordance with written guidelines as adopted and periodically revised by the Zoning Board, with suitable restrictive covenants in deeds, running with the land and senior to all financing instruments, to carry out and effectuate these obligations.

ELIGIBLE FAMILY INCOME LIMITS - YEAR 2013

AFFORDABILITY	FAMILY SIZE					
	one	two	three	four	five	six
25% of Median	\$21,350	\$24,400	\$27,450	\$30,500	\$32,950	\$35,400
50% of Median	\$42,700	\$48,800	\$54,900	\$61,000	\$65,900	\$70,800
60% of Median	\$51,240	\$58,560	\$65,880	\$73,200	\$79,080	\$84,960

2.) Below Market Rate Dwelling Units shall be designed, constructed, sold or rented, managed and controlled as to resale in accordance with such other necessary written administrative policies, definitions and guidelines as officially adopted by the Zoning Board and/or the City of Stamford, as amended from time to time. When located within the development, such BMR units shall be constructed with floor area, finishes and amenities comparable to the market rate units within the development, and shall be reasonably distributed throughout the project and provided in a mix of unit types, as determined by the Zoning Board, provided that the average floor area of BMR units shall be comparable to the average floor area of the market rate units within the development. The Board, in its sole discretion, may approve a different number of BMR units provided that the total floor area of BMR units approved by the Board is comparable to the total floor area of the BMR units which would otherwise be required pursuant to these Regulations.

3.) Management Plan. A proposal to establish BMR units shall be accompanied by a management plan ("Affordability Plan"), subject to approval of the Zoning Board, providing all of the necessary information and documentation to ensure the construction and continued operation of affordable housing, including the following:

- i) the person or organization responsible for administering the plan, including the application procedures and screening criteria to determine the income eligibility of applicants, and reporting and enforcement mechanisms;
- ii) affirmative fair marketing procedures governing the sale or rental of the BMR units;
- iii) proposed sale or rental prices of BMR units and the basis for their determination;

- iv) identification and timetable for the completion and even distribution of the BMR units among the market-rate units in the development; and

- v) other information as may be required by the Zoning Board.

The Affordability Plan shall encourage the participation of families with Section 8 vouchers and use of other local, State and/or federal programs and initiatives to further write down the affordability of BMR units to families earning less than fifty percent (50%) of the Stamford SMSA median income or to increase the number of BMR units within the project.

4.) Alternative Methods of Compliance: Pursuant to an application for Special Exception, the Zoning Board in its sole discretion may approve alternative methods of satisfying a BMR requirement, including but not limited to the dedication of vacant land, the construction of BMR units on another site, the acquisition and enforcement of rental/sales price restrictions on existing dwelling units, or the payment of an appropriate in-lieu housing fee. Any such proposal shall demonstrate to the satisfaction of the Zoning Board that the alternative method(s) is desirable and will further affordable housing opportunities in the City to a greater extent than the provision of on-site BMR units, either through the production of a greater number of affordable housing units and/or larger bedroom size units and/or units for families below the required targeted income brackets.

(a) Land Dedication: a BMR requirement may be satisfied by the dedication of land within the City in-lieu of providing affordable housing on-site. The value of land to be dedicated shall be determined by an independent appraiser, at the cost of the developer, who shall be selected from a list of certified appraisers provided by the City, or by such alternative means of valuation mutually acceptable to the developer and the City. The land to be dedicated shall have a value equal or greater than the fee-in-lieu contribution that would otherwise be required to satisfy the BMR requirement. In addition, the land must be of suitable character and location, and zoned to allow construction of a number of dwelling units equal or greater than the number of BMR units being satisfied.

(b) Dedication of Existing Units: a BMR requirement may be satisfied by restricting the rental or sale price of existing dwelling units within the City, through covenants, contractual arrangements, or resale restrictions, the form and content of which are acceptable to the Zoning Board. The restriction of such existing units must result in the creation of units that are equivalent in value, quality, and size as compared to the on-site BMR units that would otherwise be constructed.

(c) Off-Site Construction of BMR Units: a BMR requirement may be satisfied through the off-site construction or substantial rehabilitation of BMR dwelling units within the City of Stamford, subject to the following standards: (i) the location, architectural design and siting of such units shall be subject to approval by the Zoning Board; (ii) such units shall not serve to displace existing affordable housing units; (iii) off-site BMR units shall be generally consistent with all applicable standards of this section, including but not limited to, value, quality and size of on-site units that would otherwise be constructed; (iv) the Board shall condition the issuance of certificates of occupancy for the development project with the completion of the off-site affordable units and/or establish other reasonable performance conditions necessary to insure that the off-site BMR units will be built in a timely manner.

(d) Fee-in Lieu Payment: a BMR requirement may be satisfied, in whole or in part, through the payment of a “fee-in-lieu” cash contribution to a City of Stamford fund, or other approved non-profit or for-profit organization dedicated to affordable housing initiatives. Notwithstanding any other provisions of this Section 7.4 to the contrary, the cash contribution shall be determined based on the number of BMR units otherwise required to be constructed on-site and the current SMSA median household income for a family of four persons, and the following criteria for each of three required affordable income ranges: BMR units affordable at the 25% of SMSA family income level shall require a cash contribution not less than 240% of the SMSA median income; BMR units affordable at the 50% of SMSA median family income level shall require a cash contribution not less than 145% of the SMSA median income; and BMR units affordable at the 60% of SMSA median family income level shall require a cash contribution not less than 110% of the SMSA median income. Where the contribution is targeted to assist an identified off-site project providing affordable housing, the Board shall condition the issuance of certificates of occupancy for the development project with the completion of the off-site affordable units and/or establish other reasonable performance conditions necessary to insure that the off-site BMR units will be built in a timely manner. (205-11) (209-08)

CALCULATION OF CASH PAYMENT, 50% AMI - YEAR 2013

2013 Median Income, Family of Four = \$115,300

Cash Payment = 145% x \$115,300 = \$167,185

(e) Other Equivalent Actions: a BMR requirement may be satisfied through other in-lieu contributions and efforts that, in the discretion of the Zoning Board, are judged to have a value that is equal or greater than the “fee-in-lieu” cash contribution otherwise required and will further the affordable housing goals and purposes of this section. SCHEDULE F
GUIDELINES FOR MANAGEMENT OF BELOW-MARKET-RATE RENTAL UNITS

I. Introduction.

In order to promote the development of housing affordable to persons and families of low and moderate income, the Zoning Board of the City of Stamford (the Zoning Board or Zoning), as a condition of development, may require developers of market rate rental housing units to set-aside Below-market-rate units within their developments, or to provide Below-market-rate units at another site.

II. General Intent.

In compliance with applicable law including, but not limited to, the Connecticut and Federal Fair Housing Acts, these Guidelines set forth standardized compliance procedures for developing and managing all Below-market-rate rental units (BMR) required to have been built as a condition of development in Stamford. Should any section of these Guidelines be invalidated, such invalidated section shall be deemed severable, and the remaining Guidelines shall remain in effect.

Notwithstanding the fact that individual developments can be subject to project-specific conditions, the following general principles shall apply to all BMRs that fall within the jurisdiction of these Guidelines.

- BMR Units shall not be materially different from market rate units in the same development in terms of size, amenities, services, utilities, maintenance standards or any other aspect that will materially affect the value of the unit to a tenant, except as specified in these Guidelines;
- Prior to receiving a Certificate of Occupancy, the owner of any development subject to a BMR requirement as a condition of development must record an Affordability Plan approved by the Zoning Board on the Stamford Land Records.

III. Affordability Plans.

No Affordability Plan will be approved unless, at a minimum, it:

- Identifies the BMR Units;
- Evidences that BMR Units have been distributed throughout the development;
- Designates an entity responsible BMR Management, as defined herein;

Notwithstanding the foregoing, the Affordability Plan shall acknowledge the City's intent and right to designate an Affordable Housing Manager (AHM), either an individual or organization, to manage a citywide BMR program and shall state the owner's agreement to pay reasonable compensation to the AHM and to fully delegate BMR Management to the AHM, including such additional activities as required to ensure an orderly transition;

- Describes any credit and reference standards employed in tenant selection and certifies that these standards will be uniform with respect to market rate and BMR applicants;
- Describes any site-specific requirements that may impact the management of BMR Units; and
- States a commitment to provide affordable housing in compliance with these Guidelines, the zoning regulations, and the ordinances of the City of Stamford, as each may be amended from time to time.

IV. BMR Management.

For the purposes of these Guidelines, BMR Management shall include the following activities as specified in these Guidelines:

- Marketing the availability of BMR Units to the public if there are not sufficient applicants on a waiting list to fill anticipated vacancies;
- Accepting applications from the public for BMR dwelling Units;
- Determining the eligibility of those applicants;
- Implementing tenant-selection preferences;
- Maintaining waiting lists for BMR Units;
- Selecting eligible tenants for BMR Units;

- Performing annual recertification of tenant eligibility;
- Ensuring that rents are set in accordance with these Guidelines;
- Ensuring that amenities are provided in accordance with these Guidelines;
- Implementing procedures for changes in tenant circumstances;
- Monitoring owner compliance with these Guidelines and the approved Affordability Plan;
- Providing at least annual reports of activities, program compliance, and program finances as requested by the Zoning Board.

The Zoning Board may appoint an Affordable Housing Manager (AHM) to implement these Guidelines. In the event that no AHM has been appointed, the entity designated in the approved Affordability Plan will be responsible for BMR Management. Oversight of the above-mentioned activities will be undertaken by the Director of Public Safety, Health and Welfare.

V. Applications.

Applications shall be accepted from the public for BMR housing units except if the waiting list for any particular size unit cannot reasonably be expected to be housed within two (2) years.

An application shall be complete once it contains sufficient documentation to verify preferences and income eligibility, provided that a reasonable opportunity will be provided to applicants to produce additional documentation.

In the event that a prospective applicant is unable to apply because a waiting list is closed, information will be provided about how the next opening of the waiting list will be publicized and any other relevant information about the application process.

VI. Eligibility – Household Size.

Eligibility for each class of BMR Units shall be based on household size or other factors. Typical eligibility will be as follows:

- A household consisting of two or fewer individuals may be eligible for a one bedroom BMR Unit.
- A household consisting of three or four persons may be eligible for a two bedroom BMR Unit.

- A household consisting of four or more persons may be eligible for a three bedroom BMR Unit.

Notwithstanding these general Guidelines, any documented special needs of household members, any particular household configuration, and income-eligibility may be considered by the AHM when determining the appropriate class of BMR Unit.

VII. Eligibility – Income.

Eligibility at the time of application, at the time of initial leasing, and during occupancy of any BMR Unit shall be determined based on the most current statistics of Area Median Income (AMI) for the Stamford Standard Metropolitan Statistical Area (SMSA) as published and periodically revised by the U. S. Department of Housing and Urban Development (HUD).

Income limits (Maximum): The income of a household at the time of initial occupancy in a BMR Unit shall not exceed the AMI, adjusted for household size, times the affordability percentage specified in the zoning regulations and the Affordability Plan. If no income limits are specified in the applicable zoning regulations, the HUD Low-Income standard, as annually published by that agency, shall be used. The income of an applicant household seeking to be placed on the waiting list for a BMR Unit shall not exceed the AMI, adjusted for household size, times 60 percent.

Minimum income: The income of a household at the time of initial occupancy must be at least 2.5 times the annual rent

Gross Income means the total annual income from all sources of all members of the household except income received by a family household member (other than the head of household or spouse) who is under 18 years old or a full-time student of any age. Income includes but is not limited to compensation for employment services, interest, dividends, rent, pension benefits, government benefits, unemployment compensation, welfare payments, disability income, support payments, and return-on-assets income as defined below.

Return-on-Assets Income shall include the dollar amount resulting from multiplying the value of the net household assets by 10 percent after excluding the first \$5,000 in assets.

Net Household Assets means the total value of equity in real property, including gains from the sale of real property, savings and other forms of capital investment of all household members, but not including equity in a business operation where that business operation is the principal means of support of the household, amounts in an irrevocable trust fund or the value of personal property (e.g., car, furniture, etc.).

For holders of Section 8 Vouchers or certificates or other similar instrument of governmental housing subsidy, or in the case of project-based Section 8, minimum income will be calculated based on the Net Rent less the amount of assistance provided under the relevant program.

The appendix to these Guidelines shows income limits and sample rents. This appendix will be updated at least annually by the Director of Public Safety, Health & Welfare.

VIII. Preferences.

In determining eligibility of applicants for placement in BMR Units, any preferences or other criteria included in the Zoning Regulations for the relevant zoning district, or any special exception or other conditional approval by the Zoning Board, shall be implemented.

IX. Waiting List.

At the time of initial leasing of BMR Units, or when an insufficient number of applicants is available on an existing waiting list, an affirmative marketing effort should be undertaken to publicize the availability of BMR Units, the process for application, and the waiting list system.

If there are more eligible applicants for any class of BMR Units (*i.e.*, one bedroom) than there are units, a waiting list for that class shall be established. The AHM may utilize a lottery or time-of-application system to determine waiting list order. Eligible applicants shall be placed on the waiting list for the appropriate class of apartment and shall be ordered by the results of a lottery or time-of-application system.

Based on the annual determination of eligibility, ineligible applicants shall be removed from the waiting list. Such applicants shall be notified by certified mail at least 5 working days prior to such removal. If denied, or if applicant experiences a change in family composition, or income status, applicant must wait 6 months to re-apply.

An applicant may refuse an available appropriate BMR Unit one time and remain on the waiting list. Upon a second refusal, the applicant will be removed from the waiting list. Applicants shall be notified of their options with regard to refusing a unit at the time that a unit is offered.

X. Credit And Reference Checks.

Prior to occupancy in a BMR Unit, an eligible applicant may be required by the owner to meet specific credit and reference standards, as included in the Affordability Plan for the relevant development and approved by the Zoning Board.

XI. Rents.

The monthly net rents charged for BMR Units shall be calculated as follows: The BMR rent for a one-bedroom BMR Unit shall be based on the AMI adjusted for a household size of 1.5. The BMR rent for a two bedroom BMR Unit shall be based on the AMI adjusted for a household size of 3. The BMR rent for a three bedroom BMR Unit shall be based on the AMI adjusted for a household size of 4.5. The monthly gross rent shall be equal to the appropriate AMI, times the affordability level of the BMR Unit, divided by twelve, multiplied by 0.3. If any utilities are separately billed throughout the development, a utility allowance must be deducted from the gross rent to determine the net rent. Utility allowances shall be the Section 8 utility allowances

determined annually by the Housing Authority of the City of Stamford. A schedule of BMR rents shall be made available by the City of Stamford and updated regularly.

XII. Amenities.

Rents for BMR Units are net rents that include all amenities, whether provided free of charge or bundled in a mandatory package, including one parking space, but not including telephone, cable television, or other telecommunications services.

XIII. Changes In Tenant Circumstances.

In the event that a tenant's income increases beyond the income limit for the BMR Unit, based on annual recertification of income, the following restrictions shall apply:

- If a tenant's income exceeds the income limit for the BMR Unit by less than 10 percentage points (*i.e.*, a tenant at 59 percent of AMI in a BMR Unit designated for a household at 50 percent of AMI), no restrictions shall apply.
- If a tenant's income exceeds the income limit for the BMR Unit by 10 percentage points or more but still has income below 80 percent of the Area Median Income (*i.e.*, a tenant at 60 to 79 percent of AMI in a BMR Unit designated for a household at 50 percent of AMI), The tenant will be able to occupy the unit for no more than one year following the recertification. However, if the tenant's income remains below 50 percent of AMI (*i.e.*, in the case of a tenant with income at 45 percent of AMI in a BMR Unit designated for a household at 25 percent of AMI), the tenant shall be permitted to remain in the unit until a BMR Unit at the appropriate affordability level is available.
- If a tenant's income exceeds 80 percent of the AMI at an annual recertification, that tenant Shall be notified in writing that they will no longer be eligible to occupy BMR Unit and that within 90 days after such recertification, the tenant must vacate the unit. If a tenant in a BMR Unit experiences an increase in household size, they may be placed at the top of the waiting list for an appropriate sized BMR Unit.

XIV. Annual Rent Changes.

At the annual income recertification for each tenant, the rent for each BMR Unit will be set based on the latest rents set by the City of Stamford and utility allowances released by HACS.

XV. Security Deposits.

Tenants in BMR Units shall be responsible for paying security deposits. Owners of BMR Units shall not charge more than two (2) times the monthly rent for the BMR Unit as a security deposit. The AHM shall advise all applicants on the waiting lists of this requirement.

Sec. 8-37ee-300. General information

(a) This manual should be used in conjunction with the Fair Housing regulations under Section 8-37ee-1 through Section 8-37ee-17 of the Regulations of Connecticut State Agencies, and the instructions accompanying the Affirmative Fair Housing Market Form included in this manual.

(b) The purpose of this manual is to assist recipients of state financial assistance from the department in understanding what shall be required of them, as well as to further implement the provisions of Section 8-37ee-1 through Section 8-37ee-17 of the Regulations of Connecticut State Agencies.

(c) The Affirmative Fair Housing Marketing Plan shall be submitted on the form, and in the manner, prescribed by the department. The plan shall include all of the techniques which recipients intend to employ to assure that marketing is broad-based and that prospective buyers and/or renters of varied income groups, including persons with physical disabilities would feel welcome to apply. At least twenty percent (20%) of the units shall be promoted to the "least likely to apply" group.

Sec. 8-37ee-301. Definitions

All terms defined in Section 8-37ee-1 of the Regulations of Connecticut State Agencies shall have the meanings set forth there.

The following apply to Section 8-37ee-300 through Section 8-37ee-314 of the Regulations of Connecticut State Agencies:

(1) "Least likely to apply" means those persons who, in the main, do not live in the area of the development because of racial or ethnic patterns, perceived community attitudes, price or

other factor, and thus need additional outreach to inform them of their opportunity to live in the development. In predominantly white areas, these shall be minority groups; in predominantly minority areas, these shall be white groups.

(2) "Recipient" means a person, organization or individual who applies or may receive state financial assistance from the department.

(3) "Resident" means a person, including an applicant, living or working in the municipality in which the housing is located. Durational residency requirements are not permitted.

Sec. 8-37ee-302. Affirmative fair housing marketing process

(a) Assessing Affirmative Marketing Needs

Recipient plans shall identify the group(s) "least likely to apply" to the housing through the submission of relevant demographic data. Data may be derived from the U.S. Census, municipal sources, regional planning agencies, civil rights groups, fair housing officers, social service agencies, and like organizations. Source documentation shall be clearly identified.

(b) Affirmative Marketing Outreach

(1) Mechanisms--Recipients' plans shall determine and identify the most appropriate outreach mechanisms which should include: newspaper, radio, television, and other media advertisements as well as flyers and announcements to social service agencies and other organizations with the desire and capacity to inform potential applicants of the availability of housing. These mechanisms or organizations shall represent those most likely to be read, heard, seen by, or in contact with applicants least likely to apply.

(2) Locale--Recipients' plans shall provide for the dissemination of information at a minimum in (a) the largest city located in the nearest Primary Metropolitan Statistical Area or Areas or Metropolitan Statistical Area or Areas, (b) the regional planning area, and (c) any other areas which are likely to contain high minority populations and where public transportation or public highways and/or job availability make it likely that minorities might wish to move where the development is located.

(3) Time frame--Recipients' plans shall identify the time frame, duration, and frequency of the materials to be announced or distributed. At a minimum affirmative fair housing marketing shall begin prior to general marketing. There shall be at least three (3) documented efforts with updated materials as necessary: the first at the beginning of construction; the second at approximately 50 percent completion; and the final, six to eight weeks prior to completion.

(4) Notice of Intent to Begin Marketing--Recipients are required to give notice to the department no later than 60 days prior to engaging in sales or rental marketing activities.

(5) Prominence--Recipients' plans shall provide that any materials shall be prominently displayed or appear where they are most likely to be read or seen, e.g. not in the "legal notices" section of the paper but in more prominent ads.

(6) Content--Recipients' plans shall identify the content of the materials to be used which at a minimum shall: (a) identify the location of the housing; (b) provide a narrative description of the housing; (c) identify when the application process shall begin and end; (d) be neutral in the sense of encouraging all potentially eligible applicants to apply; (e) include a contact person and telephone number; (f) display the fair housing logo and clearly state the owner's commitment to Fair Housing and non-discrimination; (g) where relevant, be provided in both English and Spanish; (h) where there is any advertising depicting persons, depict persons of both sexes and persons of majority and minority groups; (i) describe the application and selection process as stated in Section 8-37ee-304 and Section 8-37ee-305 of these regulations; and (j) include the fair housing policy statement as stated in Section 8-37ee-311 below.

(7) Community contacts--Recipients' plans shall identify community contacts which shall include individuals and organizations that are well known in the area who can reach and assist those least likely to apply. These may include church groups, housing counseling groups, legal services organizations, labor unions, minority and women's organizations, shelters, social service agencies, housing authorities, and town officials. Each of these entities shall receive appropriate materials as described in subsection (5) with additional instructions, if necessary.

(8) Counseling and application assistance--Recipients' plans shall provide that either the contact person or a housing counseling organization, fair housing officer, or other similar party is trained in fair housing and its requirements and is ready and willing to assist all applicants including the least likely to apply with the application process.

(9) Follow-up--Recipients' plans shall provide for follow-up meetings or telephonic reports from the various outreach organizations listed in subsection (7) in order to evaluate the effectiveness of the affirmative marketing. Where organizations determine that few potential applicants are displaying an interest, alternative approaches should be considered.

(10) Public inspection--Recipient approved plans shall be available for public inspection.

Sec. 8-37ee-303. Application process

(a) The application period shall extend for at least 60 days before initial occupancy. An application deadline shall be established when all applications shall be completed and returned. Applications received after the deadline shall not be considered unless there is: (1) an insufficient number of initial applicants; and/or (2) the department determines that more affirmative marketing is necessary.

(b) Recipients shall use a standard application form furnished by the department included in this manual.

(c) Anyone seeking to apply shall be given the opportunity to do so.

(d) Anyone needing help in filling out the forms shall be assisted.

(e) Each application received shall be immediately dated and time stamped. Each applicant shall be given a receipt with the date and time on it.

(f) Each applicant shall have a control number assigned in chronological order.

(g) A file shall be opened for each applicant. The file shall remain confidential information.

(h) Selection shall occur at least thirty (30) days before scheduled occupancy to prevent vacancies.

Sec. 8-37ee-304. Selection process

(a) Recipients should develop a written selection plan which covers the tenant selection process they intend to use. Such plan should include, at a minimum, the following:

(1) Procedures for accepting applications and screening applicants;

(2) Fair housing requirements;

(3) When applicants may be rejected; and

(4) Procedures for selecting applicants from the waiting list(s).

(b) At a minimum, the following factors shall be used to screen applicants:

(1) demonstrated ability to pay rent on time;

(2) housekeeping habits based on visits to the applicant's current residence;

(3) comments from former landlords; endorsement from at least two is preferred; and

(4) Credit checks may be obtained. These may be useful when no rental payment history is available. A lack of credit history, as opposed to a poor credit history, is not sufficient grounds to reject an applicant. Recipients should try to obtain all credit checks, landlord and personal references and so forth before the interview so that if negative information is received the applicant shall be given the opportunity to explain the circumstances.

(c) Recipients shall also prepare one Occupant Selection List which shall be subdivided by the number of units available and bedroom size. The following guidelines shall be used to determine minimum and maximum housing capacity:

Bedroom Size	Minimum	Maximum
00 (single room occupancy)	1	1
0 (efficiency unit)	1	1
1	1	2
2	2	4
3	3	6
4	5	8

Sec. 8-37ee-305. Selection methodology

(a) For purposes of fairness and equity the department allows either a point system or a purely random lottery selection method. However, if there is a tie score under the point system method and there is a limited number of units available for persons with the same point score, the random selection method or first come, first serve (chronological order) shall be used in conjunction with the point system to select which applicant gets the unit.

(b) Point System Selection Method

(1) Point systems may be altered by the Commissioner to comply with fair housing goals. Where a program dictates other kinds of requirements, e.g. limited equity cooperatives may look for participants willing to put in sweat equity, points for such neutral categories may be added with the approval of the Commissioner.

(A) Calculation of Points--The applicant receives the full point score or none; subjective practical scoring is not allowed. Where department program requirements mandate selection criteria such as age, income, etc., applicants shall first meet that standard. Where an applicant does not meet the program requirements, the applicant may be rejected without further analysis.

(2) The following is the Department's approved point system that recipients shall use.

POINT SYSTEM METHOD

- (i) SUBSTANDARD HOUSING 25 point maximum
 - condemned or verified serious housing code violations 25 points

	inadequate heating, plumbing, or cooking facilities	20 points
(ii)	LIVING SITUATION	25 point maximum
	living in documented physically or emotionally abusive situation	25 points
	living in a shelter or transitional housing	25 points
	living in temporary housing with others because of conditions beyond applicant's control (condemnation, foreclosure, fire, loss of job, etc.)	20 points
	living in overcrowded conditions in own housing unit (e.g. 1.5 persons per room)	15 points
(iii)	INCOME/RENT RATIO	15 point maximum
	currently paying more than 50% of income for rent or housing	15 points
	currently paying between 31-50% of income for rent/housing	10 points
(iv)	(OPTIONAL) RESIDENT OR LEAST LIKELY TO APPLY APPLICANT	10 points

(a) If this resident selection category is used, the 10 points shall be awarded to both residents and least likely to apply applicants. However, if the owner chooses, more points may be awarded to the least likely to apply applicants (e.g. 15, 20, 25 points, etc.).

(3) Points shall be added up for each applicant. The department recommends that the recipient create a pool of candidates with the highest score and which exceed the number of available units by bedroom size by at least three times. Applicants shall be selected by a lottery.

(4) If the number of applicants does not exceed the number of available units by bedroom size by at least three times applicants may be selected on a first come first serve basis.

(c) Random Selection Method--Lottery

If recipients select the random selection method the factors they shall use in determining selection shall include:

(1) Determining the income eligibility of all applicants;

(2) Pre-screening/interviewing for credit worthiness and other reasonable common rental or ownership criteria; and for verification of applicant information.

(3) Putting all applicants with favorable interviews, that is, having no ground for disqualification based on subsection (e) of this section, back in the pool and choosing by a lottery system.

(d) Interview or Home Visit

(1) Ideally all applicants meeting income guidelines should be interviewed. When a large number of applicants apply, recipients may conduct interviews and/or home visits with only those who meet the minimum threshold point score, so long as the number of interviewees significantly exceeds the number of available units.

(2) The interview should be used for purposes of verifying and clarifying information in the application as well as exploring the ability and willingness of the applicant to meet financial commitments and to assume the other responsibilities of tenancy or ownership. Points should not be added or subtracted as a result of the home visit and interview unless information on the application was erroneous.

(e) Grounds for disqualification

(1) Applicants may be disqualified from final selection upon documentary verification of any of the following: (A) the applicant or any member of the applicant's household has a history of disturbing neighbors, destroying property, or living or housekeeping habits which would substantially interfere with the health, safety, or peaceful enjoyment of other residents; (B) the applicant has a history of rental nonpayment within the past 12 months without reasonable justification (justification might be: substandard housing, loss of a job, etc.); (C) the applicant has knowingly falsified information in the application process; or (D) the applicant cannot demonstrate an ability to pay the base rent.

(2) Applicants deemed ineligible, for whatever reason(s), shall be notified in writing, before the final selection, of the reason(s) for rejection and their right to appeal within ten days of the rejection. Recipients should inform applicants that an appeal should be made immediately to assure their return to the applicant pool if they prevail. An impartial hearing officer shall be

chosen by the recipient who shall issue a written opinion within five days of the hearing. All appeals should be heard within five days of the request.

(3) Applicants still aggrieved shall be informed of their right to appeal the decision of the hearing officer to the department's affirmative action office. Such appeal shall be made in writing, and brought within ten days of the adverse decision.

(4) Recipients shall keep the following materials on file for at least three years: (1) application; (2) initial rejection notice; (3) any applicant reply; (4) the recipient's final response; and (5) all interview and verified information on which the rejection was based.

Sec. 8-37ee-306. Insufficient number of least likely to apply applicants

(a) If the Affirmative Action Office finds, at any stage, that there is an insufficient amount of least likely to apply candidates due to a lack of good faith affirmative fair marketing it shall have the right to require additional outreach until such time as a sufficient effort has been expended or a sufficient number of applicants is available. Such additional outreach may delay the occupancy of units.

(b) Where the department determines that good faith efforts have been made to recruit applicants who are least likely to apply and there is still an insufficient number of eligible applicants, recipients shall be given permission to rent or sell units to other eligible applicants.

(c) The department's determination of the owner's good faith efforts shall include, but not be limited to: substantiating that the outreach which it stated in its Affirmative Fair Housing Marketing Plan was actually completed; that such efforts met time and durational requirements; that the marketing approach was amended or enhanced when found deficient; and that there were particular local, regional, and/or market reasons for the failure of the Affirmative Fair Housing Marketing Plan to attract a sufficient pool of applicants who are least likely to apply. The owner shall develop and maintain adequate documentation in a manner prescribed by the department of its good faith efforts.

Sec. 8-37ee-307. Post occupancy requirements

(a) Following the initial lease-up or sales, recipients shall continue to affirmatively market to those least likely to apply for the life of the mortgage, assistance agreement or regulatory agreement, whichever is longer. Recipients shall make every good faith effort to maintain a racially and economically integrated housing development.

(b) Recipients should schedule application periods as in the initial lease-up or sales at reasonable intervals. Such application periods shall have a deadline and new applicants shall be chosen as in the initial selection system. Prospective applicants shall only be considered during this application period. Where point systems are used, new applicants with higher points may

not displace previous waiting list applicants unless the waiting lists have been reviewed and updated.

(c) The department shall require annual updates on whether recipient affirmative fair marketing goals have been met and whether recipients have been able to sustain their goals. Upon review of the information the department may require remedial action where it is deemed necessary. Records of all affirmative fair marketing, tenant selection, and waiting lists should be retained for at least five years or as set forth in the Assistance or Regulatory Agreement with the Department.

(d) Recipients may be monitored on a yearly basis for compliance with the fair housing requirements stated herein and may be subject to random on site monitoring.

Sec. 8-37ee-308. [Reserved.]

Sec. 8-37ee-309. Recipient training

Prior to any disbursement of financial assistance recipients shall be required to attend a seminar on implementing the department's Fair Housing regulations. Recipients are encouraged to attend other fair housing forums and participate in fair housing events. All recipient employees and agents shall be informed, in writing, and orally, of fair housing requirements.

Sec. 8-37ee-310. Affirmative marketing for other grantees

Recipients who are not producing housing shall affirmatively market their programs so that a broad range of majority and minority beneficiaries are encouraged to apply for whatever assistance is provided. Outreach should comply with the Affirmative Fair Housing Marketing Plan Guidelines.

Sec. 8-37ee-311. Fair housing policy statement and publicity

(a) Any recipient, including but not limited to sponsors of housing, technical assistance organizations, and subcontractors, shall adopt a fair housing statement prior to the receipt of department funds which shall include the following:

(1) Recipient's commitment to promote Fair Housing choice and not to discriminate against any person as prohibited in General Statutes 46a-64c as amended. Protected classes include: race, creed, color, national origin, ancestry, sex, marital status, age, lawful source of income, familial status, physical or mental disability, or sexual orientation. The provisions of 46a-64c should be specifically included in the pledge.

(2) Recipient's commitment to promote racial and economic integration in any housing developed or supported with department funds being sought or recipient's commitment to seek beneficiaries from all racial and ethnic groups as well as the physically and mentally handicapped and families with children, and to seek a broad range of income eligible beneficiaries, whichever provision is relevant to the kinds of services provided by the grantee.

(3) Identifies the person assigned Fair Housing responsibilities by name, position, address, and telephone.

(4) Includes a discrimination complaint procedure which shall be disseminated to applicants and posted.

(5) Is revised as needed.

(6) States how the policy shall be disseminated.

(7) Is signed by the Board President, CEO, or other comparable party.

(b) Before dissemination the policy shall be approved by the department. The policy shall be prominently posted in the recipient's offices and also on the site where building or rehabilitation is taking place.

(c) Recipients shall prominently display in all offices, in printed materials, and on housing sites fair housing posters and/or the fair housing logo which may be obtained from the department's affirmative action office.

Sec. 8-37ee-312. Modification of requirements

(a) Where another program funding requires stricter fair housing requirements, upon approval of the department those shall be followed.

(b) Where federal sources are also funding the housing, federal fair housing requirements, as well as these shall be adhered to.

(c) Where the department is funding minor rehabilitation, these requirements may be adjusted as determined by the department.

Sec. 8-37ee-314. Fair housing compliance for existing state assisted units

(a) Each owner of five or more state assisted housing units shall develop an affirmative fair housing marketing plan for each such development as described in Section 8-37ee-302, and selection procedures as described in Section 8-37ee-304 of these regulations.

(b) Each owner of state assisted housing shall evaluate its waiting list for each development to determine whether or not the waiting list provides for racial and economic diversity as required by Public Act 91-362.

(c) If there are either insufficient families who are least likely to apply on the list or near the top of the list such that they might be housed within the next year, then the units shall be affirmatively fair marketed.

(d) Eligible applicants currently on the waiting list may not be removed from such list unless duly purged. However, once any additions are to be made to the list, all requirements of this manual shall apply to the new applicants.

(e) Owners of currently assisted state housing shall be expected to comply with all other requirements of this manual within a reasonable time after its effective date and, at a maximum, within one year of such date.
