

Capital Project Appropriation Request

1/3/2023

FY 22/23

Project: 001307 Mill River Playground

Agency: 0220 Operations: Engineering

Total Request: \$166,666.00

Part A - Description of Request

The Mill River Collaborative will create a uniquely designed Playscape area at the Mill River Park Carousel Pavilion. The installation will be a architecturally-distinctive, playful, and interactive structure. The project will be grounded in a holistic conceptual vision and will meet functional, aesthetic, and narrative requirements. Our carousel hosts families every weekend with many birthday parties and dozens of kids all summer and during school holidays as part of our camp offerings. The playscape will be an inclusive design that will engage kids, caregivers and the entire community. The exciting challenges and activities on an inclusive playscape area will provide increased play value and engagement to our varied park visitors. This money is being allocated for the design and construction of the playscape. Our current project timeline is as follows:

- Currently the project is in the conceptual phase and should last about two weeks
- Second Phase, Schematic Design - One Month
- Third Phase, Design Development - One Month
- Fourth Phase, Permitting -Four Months
- Fifth Phase, Construction Documents - One and Half Months
- Final Phase (May 2023) Construction -Two Months

Part B - Appropriation Request Detail
