Memorandum

To: Tony Romano
From: Jim Travers
Subject: Compensation for Roadway Improvements
Date: March 11, 2020

Tony,

Per the Zoning requirements established with the erection of a residential apartment building on the corner of Stillwater @ Liberty St. The developer was required to provide ADA accessible curb ramps on both corners and install a thermoplastic decorative crosswalk. Due to time constrictions to acquire the C.O., the Transportation, Traffic, and Parking Bureau will perform this work on behalf of the developer when weather permits this Spring.

Attached, please find the check dated March 6, 2020 in the amount of \$8,000.00 to satisfy this requirement.

Please deposit the check into account CP1281 – Roadway Design and Reconstruction.

Thank you.
