Mr. Norman Cole
Land Use Bureau Chief
Stamford Government Center
888 Washington Blvd.
Stamford, CT 06901

Subject: CSPR 974 by Diane Viton and Richard Viton for work adjoining the Stamford Harbor Management Area

Dear Mr. Cole:

The Stamford Harbor Management Commission (SHMC) has reviewed the application for Coastal Site Plan Review submitted to the Land Use Bureau by Diane Viton and Richard Viton (the Applicants). The Applicants seek to demolish an existing dwelling and construct a new dwelling with associated site improvements at 230 Dolphin Cove Quay.

As the Applicants' proposal affects property on, in, or contiguous to the Stamford Harbor Management Area, it is subject to review by the SHMC to determine its consistency with the Stamford Harbor Management Plan. The requirements of this review are specified in Sec. 22a-113p of the Connecticut General Statutes, Sec. 6-62 of the Stamford Code of Ordinances, and the Harbor Management Plan. Pursuant to the General Statutes, City Code, and Harbor Management Plan, a 2/3 vote of all members of the Zoning Board is needed to approve a proposal that has not received a favorable recommendation from the SHMC.

During its meeting on March 17, 2015, the SHMC approved a motion to find the proposal consistent with the Harbor Management Plan provided the Applicants are required to employ all appropriate best management practices during construction to avoid any significant adverse impacts on environmental quality, including water quality, in the Harbor Management Area.

Please be advised that the SHMC reserves its right to review the Applicants' proposal and provide additional comments at such time as it may be modified or be the subject of another application, additional information is provided, or the proposal is the subject of a public hearing.

If you have any questions or require any additional information at this time, please contact me at (315) 651-0070 or dortelli@stamfordct.gov.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'D. Ortelli', with a long horizontal stroke extending to the right.

Dr. Damian Ortelli
Chairman, Stamford Harbor Management Commission
