**Subject:** Pacific Street Village Streetscape Project Public Meeting

The City of Stamford Transportation, Traffic & Parking Department will be holding a virtual public meeting about the Pacific Street Village Streetscape Project on July 11<sup>th</sup> at 5:00PM via Zoom.

The project seeks to increase safety, reduce speeding, and improve walkability. Other goals include improving access to the train station and the businesses along the street.

The project area is Pacific Street between Dock and Henry Streets, and the project seeks to include the following:

1. Pedestrian level street lighting
2. New bioswale rain gardens
3. New Street trees
4. New crosswalks
5. New bump outs
6. New raised crosswalks and intersections
- 7.

The project page where you can learn more about the project and access the Zoom Link is [here](#).

At the meeting, City staff will discuss the project, go over plans, and give an opportunity for the community to provide feedback on the project.

We hope to see you there and please spread the word.

If you have any questions, please do not hesitate to reach out. Thank you.
