RE: *Subdivision Application #4046*
131 & 139 Turn of River Road and 29 Intervale Road – Stamford, CT

Dear Ms. Cohen and Board Members,

We are writing to request the second (and final) 90-day extension of the time period in which to record the Final Map (currently scheduled to expire on September 21, 2023) to December 20, 2023. The applicant is still working toward a closing with the current owners, which may not occur by September 21st. We would greatly appreciate this request being placed on the Planning Board's September 12th meeting agenda.

Please do not hesitate to contact us should you have any questions or require additional information.

Sincerely,
