As discussed, I remain opposed to the proposed Marijuana Dispensary at 389 West Main Street at the corner of Liberty Street and West Main Street. The proposed business is a risk and negligent to the Quality of Life of people who reside in the area. It is too close to the Jackie Robinson Park as well as the Yerwood Building home to the Boys & Girls Club, St. Joseph Parenting Center, Civic & Religious Events as well as 5 churches along with school bus stops.  
4 churches

Subject: ZB 223-46 - Budr Cannabis Oppose Plan

Hi,  
Please forward to Planning Board:

I Daphne Dossou live on 95 Liberty St Unit C1 and oppose the Marijuana Dispensary at 389 West Main St. This location is already very busy with traffic, does not belong around residential properties or local businesses such as Bank of America, Churches etc. Many children walk home from the bus stop right near this location and it certainly doesn't do any good having this type of business in our neighborhood. It will have a negative effect on the quality of life. I do not want a marijuana business at the corner of my home.

Thanks,  
Daphne Dossou
