### D. Board Committee Reports

<u>Human Resources Committee</u> – Commissioners Ostuw, Coff, McKoy, Morris, Malhotra and Advisory Board member Latta, Mr. Tufo, Ms. Coard, Mr. Gottlieb, Ms. Janney, Mr. Montanez, Mr. Feda, Ms. Figueroa, Ms. Reynolds, Ms. Tantimonico, Mr. Stothart, Mr. Warren, Ms. Caselli, Mr. Galasso, Mr. Paulemon, Mr. Soares, Ms. Caselli and Ms. Young attended the Human Resources Committee meeting on 4/23/2024. Mr. Gomez provided a recruitment update. Ms. Tantimonico reviewed the four areas identified in the recent employee survey as areas of opportunity. Ms. Tantimonico provided a high-level summary of feedback obtained from one-on-one focus groups, employee meetings and action items completed. Mr. Gomez provided an update on upcoming employee engagement activities and events.

Operations Committee – Commissioners Ostuw, Coff, McKoy, Morris, Malhotra and Advisory Board member Latta, Mr. Tufo, Ms. Coard, Mr. Gottlieb, Ms. Janney, Mr. Montanez, Mr. Feda, Ms. Figueroa, Ms. Reynolds, Ms. Tantimonico, Mr. Stothart, Mr. Warren, Ms. Caselli, Mr. Galasso, Mr. Paulemon, Mr. Soares, Ms. Caselli and Ms. Young attended the Operations Committee meeting on 4/23/2024. Ms. Janney and Ms. Figueroa presented an update on operational audits for Lawnhill Terrace and the Housing Choice Voucher program (HCV).

Mr. Feda and Mr. Galasso provided a 03/2024 accounts receivable (A/R) update noting a 7% increase and rent relief funds received for two residents. Ms. Janney discussed the resolution to Approve 2024 Congregate Fee and Rent for Wormser Congregate.

Mr. Stothart reported on capital projects to include the Wormser Congregate AC project completion and the commencement of the Scofield Manor Roof Replacement project. Mr. Stothart presented two resolutions: Award Contract to Brian Capone Land Services for Landscaping Maintenance Services including Litter Patrol and Approve Change Order No. 1 to the Contract with Absolute Staffing, LLC for Recruitment Services.

<u>Finance Committee</u> – Commissioners Ostuw, Coff, McKoy, Morris, Malhotra and Advisory Board member Latta, Mr. Tufo, Ms. Coard, Mr. Gottlieb, Ms. Janney, Mr. Montanez, Mr. Feda, Ms. Figueroa, Ms. Reynolds, Ms. Tantimonico, Mr. Stothart, Mr. Warren, Ms. Caselli, Mr. Galasso, Mr. Paulemon, Mr. Soares, Ms. Caselli and Ms. Young attended the Finance Committee meeting on 4/23/2024.

Mr. Paulemon provided an overview of the FY 2025 operating budgets for Wormser Congregate, Oak Park, and Stamford Manor. Wormser Congregate has a budgeted net operating income (NOI) of \$107K for FY 2025, which is a \$24K improvement from the prior year. A rent increase of \$100 is proposed on the income-based rent that is expected to have no impact on the residents. Mr. Feda discussed the extraordinary progress Wormser has made over the years building up their reserves to an estimated \$460K for FY 2025. This was a collaborative effort with the Operations and HR teams on implementing operating efficiencies. Oak Park has a budgeted NOI of \$75K for FY 2025. The property is undergoing a multi-year redevelopment; the FY 2025 budget includes the reduction of 61 units in Phase 1. Through natural attrition, vacant units will not be leased up and will be held offline to accommodate future redevelopment phases. Stamford Manor has a FY 2025 budgeted loss of \$130K, which is relatively close to FY 2024 actuals. The Low-Income Public Housing financial structure is unsustainable in the long term. Once the RAD properties are converted, COC will begin the Streamlined Voluntary Conversion of Stamford Manor to tenant based vouchers. This will increase NOI substantially allowing for needed capital repairs and stabilize cashflow. Additionally, \$650K of the existing \$1.3M in reserves will be used as a funding source for the RAD properties first year capital repairs. The resolutions to approve these operating budgets will be presented at the 4/24/2024 Board meeting.

Mr. Montanez provided an update on the Yardi implementation project. The kickoff meeting with Yardi and the COC internal implementation team was held 4/10/2024. The team is underway with various meetings and tasks to begin the implementation of the system. COC's "go live" date is slated for 11/1/2024, which includes a seven-month project. Mr. Feda described the Auditing Services contracts that have expired, and the RFP issued for COC and the entity audits. The selection will be discussed at the 06/2024 Board meeting.

- E. Post SP24 Discussion The Board of Commissioners and staff discussed the recent Strategic Planning (SP24) retreat meeting that included recommendations for upcoming strategic goals and topics for further discussion. Commissioner Coff is interested in a future meeting on expanding the business model to provide third party services. Commissioner McKoy stated that the SP24 meeting was a good overall review of COCs' core objectives and requested to know how COC would prepare for unexpected situations, such as an inoperable elevator. Mr. Tufo responded that our Asset Management department is focused on the capital need assessments of our buildings such as furnaces, elevators, roofs, etc. to mitigate unforeseen surprises. COC staff is committed to being proactive with an approach in place to apply the best use of resources and address any emergency, including those for which we may be unprepared. A capital needs assessment presentation will be held at a future date. Advisory Board member Latta suggested a senior staff succession plan meeting.
- F. Report from the Executive Director Ms. Coard discussed the Stamford Parks Foundation Transition Committee, of which she has been appointed co-chair. Ms. Coard noted that the mayor's office requested her participation on this committee. Ms. Coard discussed the importance of her being asked by the mayor's office. COC's collaboration with the city and others in the community to participate on these committees helps to strengthen our relationships, builds trust and confidence in our expertise which results in positive recognition for COC.
- G. Strategic Overview from Chief Executive Officer Mr. Tufo continued the discussion on strengthening and building COCs' relationships with peer organizations in our city and with our elected officials. Mr. Tufo stated that this can only improve our ability to overcome challenges that COC may encounter in the future. It is important for COC staff members to continue to give their expertise to others, and in return, COC can benefit from others' leadership and learned experiences. Mr. Tufo noted that it would be insightful to have Stamford's Social Service department educate us on homeless resources. The Mayor has been invited to join the 5/22/2024 Board meeting.

# HOUSING AUTHORITY OF THE CITY OF STAMFORD D/B/A CHARTER OAK COMMUNITIES

22 Clinton Avenue Stamford, Connecticut 06901

**Board Meeting Date:** 

May 22, 2024

**Resolution Number:** 

24-21

### RESOLUTION

Subject:

Approve the Housing Choice Voucher Program (HCVP) operating

budget for the twelve-month period ending June 30, 2025.

Background:

The resolution approves the Fiscal Year Ending June 30, 2025 unrestricted administrative operating budget for the HCVP. The unrestricted administrative portion of the HCVP includes the fee received from the Department of Housing and Urban Development (HUD) to administer the 1,642 Authority vouchers and 496 portability

vouchers and the applicable cost to maintain them.

Resolution:

Be it resolved by the Commissioners of the Housing Authority of the City of Stamford d/b/a Charter Oak Communities that the operating budget for the Housing Choice Voucher Program are adopted for the fiscal year starting July 1, 2024 through June 30, 2025.

### **Housing Choice Voucher Program (HCVP)**

Unrestricted (Administrative) Budget For Year Ending June 30, 2025

FY 2024 Resu	lts	Overview
Net Operating Results	\$129K	The HCV program consists of two funding components – unrestricted and
Budget Variance	+\$448K	restricted. The unrestricted funding component relates to the administrative function that oversees the voucher program. The restricted funding
Reserve Balance	\$1.79M	component is available only for housing assistance payments (HAP) in
Budget FY 2	025	accordance with HUD issued budget authority. This budget represents the
Net Operating Results	(\$196K)	unrestricted administrative budget for FY 2025. The net operating results are forecasted in the budget presentation through FY 2028 to highlight the growth
Reserve Balance	\$1.6M	the program is expected to experience in the out-years.

FY 2024 net operating income is projected to be \$129K. The current year's results will increase our unrestricted administrative reserves to \$1.8M as of 6/30/24. The budget variance is largely attributed to savings due to vacancies in two management staff positions. An operating loss of \$196K is budgeted for FY 2025, decreasing reserves to \$1.6M. The FY 2025 loss will decrease the Months Expendable Net Asset Ratio (MENAR), which measures the level of reserves against operating expenses, from 9 months to 7 months. While the upcoming budget shows an operating loss, the operating results in the successive years will continue to improve in accordance with voucher program growth.

COC will convert 105 units out of the Low-Income Public Housing Program (LIPH) utilizing the Rental Assistance Demonstration (RAD). As of FY 2024, 3 properties consisting of 73 units and the final 2 properties consisting of 32 units are expected to convert in the Summer of 2024. In FY 2026, the balance of our LIPH units (250) will convert to the HCV Program through the Streamlined Voluntary Conversion (SVC) program. There are (47) vouchers designated as Project-Based Vouchers (PBV) for the renovated Oak Park Phases in FY 2025 and FY 2027. Additionally, the Portability program, which allows voucher holders from jurisdictions outside of Stamford to 'port-in' to Stamford, has been growing at a rate of 50-60 units per year, and is expected to grow from 441 vouchers to 728 vouchers by FY 2028.

### **Housing Choice Voucher Program (HCVP)**

Unrestricted (Administrative) Budget For Year Ending June 30, 2025

### Explanatory Notes & Narrative:

1.	Administrative Fee- Vouchers	The FY 2024 administrative fees (AF) were funded at a proration level between 90-95%, which is higher than the budgeted 85%. HUD also increased the AF by 2.51%. These variables contributed to a \$204K favorable budget variance for FY 2024.  Despite the increase from the RAD vouchers and the higher AF rate, the budget for FY 2025 is projected to decrease by \$104K in accordance with the recent decline in the proration rate levels. The 2025 budget reflects the current trend of 89%.
2.	Administrative Fee- Portability	The portability program continues to grow each year at 50-60 vouchers. This increase correlates to a favorable budget variance of 10% for AF to \$465K in FY 2024. The growth is expected to continue into FY 2025 budget, generating \$524K in portability voucher AF.
3.	Administrative Wages & Benefits	For FY 2024, the Administrative Wages & Benefits expense finished under budget by \$187K due to staff turnover and vacancies during the year. The prior year's budget included the addition of the Director of Housing Opportunity and an Intake Specialist, which are allocated 100% to the department. This increase in staff is crucial for the department to support voucher growth, waitlist leasing, portability growth, and the RAD & SVC activities.  As of now the Director of Housing Opportunity and HCV Manager position remains vacant. Management is optimistic about producing a candidate for the HCV manager position in the upcoming year, and the Deputy Executive Director continues to provide oversight in the interim. This cost allocation is reflected in the FY 2025 budget.
4.	Office & Administrative	During FY 2024, there were costs for operational consultation services in anticipation of the changes planned for the out years. This includes the conversion to RAD, the implementation of the Housing Opportunity Through Modernization Act (HOTMA), and the conversion of housing quality standards to a new method for inspections called National Standards for the Physical Inspection of Real Estate (NSPIRE).  COC is expected to have successfully implemented a modern and more efficient MIS system (Yardi) in FY 2025. This will cause a budget increase starting in FY 2025 of \$10K, and \$40K in subsequent years. The new software is expected to make the HCV department more efficient through automation and improved processes, allowing for enhanced customer and growth capability for the voucher program.
