

City of Stamford  
ENVIRONMENTAL PROTECTION BOARD  
INTEROFFICE CORRESPONDENCE

TO: Environmental Protection Board

FROM: Jaclyn Chapman, Environmental Analyst

SUBJECT: EPB Permit Application (Acceptance)

DATE: May 10, 2024

=====

The Environmental Protection Board has received the following permit application:

**#2024-10 – 26 Rising Rock Road – Alejandro & Jill Knopoff:** Construct a two-story addition in the rear yard of an existing single-family dwelling. The addition is proposed in the Special Flood Area Zone AE (Base Flood Elevation 203.3 to 205.5 feet, Map 09001C0502F). The property is located within the drinking water supply watershed of the East Branch of the Mianus River. The property is located along the south side of Rising Rock Road approximately 400 feet south of the intersection with Reservoir Lane, and is identified as Lot E-11, Account #002-0921, Map 56, Block 394, Zone RA-1, and is  $\pm 1.308$  acres.

The Board may act to **Accept** this application at the **May 16, 2024**, meeting.

Please call 203-977-4065 if you have any questions.
