

PROPOSAL SHEET  
City of Stamford

I am writing to express our interest in offering our snack bar management service. With a proven track record of excellence, we believe we can provide a valuable addition to your Snack Bar offerings.

At Oh my Gosh LLC Food Company, we have successfully operated the snack bar at Newfield Club in Stamford for the past five years. Our team possesses over 15 years of experience in the restaurant industry, and we have previously owned and managed well-known establishments such as Tomatillo (Mexican) and Piezanos (Italian) in Stamford, CT.

We understand the importance of delivering exceptional customer service, maintaining high-quality food standards, and optimizing operational efficiency in a snack bar setting. Our goal is to enhance the overall experience for the Government Center visitors and employees.

Our offer involves renovating the snack bar at our expense to make it more versatile and appealing. Attached is an initial drawing to give an idea of how the finished look would be.

The entire renovation would be completed over a weekend, ensuring no disruption to the operation of the Snack Bar.

We are open to suggestions.

Our breakfast menu will be served from opening until 11 AM and will include both cold and hot meals.

Our lunch menu would feature a minimum of 5 different hot dishes from 11 AM until closing.

We know that the number of customers at the Snack Bar varies greatly, so our idea is to constantly restock the food from our other location in Stamford. Additionally, we will rotate the snacks and candies to maintain a wide variety of options, preventing merchandise from expiring without being sold.

Attached is a basic preliminary menu open to changes based on any suggestions or recommendations you may have.

**We offer to pay for the snack Bar located at the first floor a rent Fee of \$4000 - Four thousand dollars a Year.**
