

The wooden sign will be the same dimensions as the Cove Neighborhood sign pictured here.

It has taken quite a while to get this rendering done but here it is! We have two options for the sign and they are pictured on the following pages.

I have marked with an "X" the location for the sign at Edson Park. The sign will sit perpendicular to the street.

The full sign will be 71" high and 42" wide. The posts are 4 x 4s.

I will phone you Monday a.m. to be certain you have received this email.

Thanks so much,

Laura Petitt
