ENHANCING & PROTECTING STAMFORD'S PARKS

A Community Partnership
for Open Spaces

Who We Are

The Stamford Parks Community Partnership (SPCP) is a 501(c)(3) nonprofit created to secure private funding for Stamford's parks, ensuring their vitality for generations to come.

What is a City Park Conservancy?

"Conservancies are private, nonprofit park-benefit organizations that raise money independent of the city and spend it under a plan of action mutually agreed upon with the government."

PUBLIC SPACES, PRIVATE MONEY

The Trust for Public Land

Mission & Vision

MISSION

SPCP's mission is to partner with the City of Stamford to enhance, protect, and sustain the city's parks and open spaces through strategic funding and community engagement.

VISION

Our vision is a thriving, equitable, and sustainable park system where every Stamford resident has access to beautiful, well-maintained green spaces.

How SPCP Was Formed

● 2022

The City of Stamford launched a comprehensive Parks Strategic Plan to revitalize the city's park system.

● EARLY 2023

A Transition Committee was formed to explore the creation of a new nonprofit organization dedicated to supporting the city's parks.

● MARCH 2024

The Stamford Parks Community Partnership (SPCP) was established as a 501(c)(3) nonprofit, with the goal of securing private funding and community engagement for Stamford's parks.

● APRIL 2024

SPCP's Board of Directors was appointed, drawing from local community leaders, philanthropists, and park advocates.

● MAY 2024

SPCP launched its inaugural Adopt-a-Spot program, engaging residents and businesses in maintaining and beautifying neighborhood parks.

Guiding Principles of SPCP

- **SUSTAINABILITY**

Committing to environmentally responsible practices that preserve and enhance Stamford's parks and green spaces for the long term.

- **EQUITY**

Ensuring that all Stamford residents, regardless of their neighborhood or socioeconomic status, have access to high-quality, well-maintained parks and recreational facilities.

- **COLLABORATION**

Partnering with the City of Stamford, local businesses, community organizations, and other stakeholders to leverage resources and expertise in support of park revitalization efforts.

- **TRANSPARENCY**

Upholding the highest standards of openness and accountability in all funding decisions, project management, and community engagement activities.

What We Do: Our Core Programs

BEAUTIFY

Adopt-a-Spot Program:

Engage community volunteers to beautify and maintain smaller green spaces throughout Stamford, including street medians, traffic circles, and neighborhood parks.

ENHANCE

Adopt-a-Park Program:

Partner with local businesses, organizations, and residents to fund and execute significant improvements to Stamford's flagship parks, such as new playgrounds, sports facilities, and landscaping.

FACILITATE

Major Gifts Program:

Secure large-scale donations from philanthropists, corporations, and foundations to finance transformative park projects, ensuring Stamford's green spaces remain vibrant and accessible for all.

Partnerships & Collaborations

SPCP works with the City of Stamford, local businesses, community organizations, and national foundations to support park initiatives.
