PUBLICATION: THE ADVOCATE – ONE INSERTION – WEDS., NOV 20, 2024

**LEGAL NOTICE
ZONING BOARD – CITY OF STAMFORD**

Application 224-24 – Notice is hereby given that the Zoning Board of the City of Stamford, CT, at its regular meeting held on Monday, November 18, 2024, **UNANIMOUSLY APPROVED AS MODIFIED** the application of the City of Stamford’s Zoning Board for a Text Change to amend the Below Market Rate Housing regulations in the Stamford Zoning Regulations (Section 7) to increase the supply of affordable units by increasing the affordable housing requirements and other measures.

AMEND Section 7, Below Market Rate Housing Program, as follows:

SECTION 7 – BELOW MARKET RATE HOUSING PROGRAM (220-13)

7.A. PURPOSE

It is the public purpose and policy of the City of Stamford, as outlined in its 2015 *Master Plan*, and the State of Connecticut to achieve a diverse and balanced community with housing available and affordable for households of all income levels. Economic diversity fosters social and environmental conditions that protect and enhance the social fabric of the City and are beneficial to the health, safety and welfare of its residents and to the environmental quality and economy of the region. In addition to the City’s other affordable housing strategies, the *Below Market Rate* (“*BMR*”) Housing Program aims at creating mixed-income communities in new developments.

7.B. AUTHORITY

These regulations are enacted under the authority of the Charter of the City of Stamford and Section 8-2(i) of the Connecticut General Statutes.

7.C. STANDARDS

7.C.1. Applicability (224-24)

On-site *BMR Units* or the equivalent Fee-In-Lieu payment shall be required as follows:

- a. (i) All new residential developments with ten (10) or more Dwelling Units, or (ii) additions, expansions or conversions to existing residential and *Mixed-Use Buildings* that increase the total number of Dwelling Units in such *Buildings* to ten (10) or more units,

or (iii) any combination of (i) and (ii), resulting in ten (10) or more Dwelling Units, shall permanently create and deed restrict the number of rental or for sale *BMR Units* for the life of the *Building* as specified in Subsections 7.C.3, 7.C.4 and 7.C.5 below, notwithstanding any provision of these Regulations to the contrary.

- b. Conversions of non-residential *Floor Area* to residential *Floor Area* generating ten (10) or more Dwelling Units, shall permanently create and deed restrict the number of rental or for sale *BMR Units* for the life of the *Building*, as specified in Subsections 7.C.3, 7.C.4 and 7.C.5 below, notwithstanding any provision of these Regulations to the contrary.
- c. For any *Substantial Renovation or Alteration* of existing rental residential properties having ten (10) or more Dwelling Units prior to the renovation or upgrade and which have less than 7% *BMR Units* (excluding *Premium Units*) on-site (and for which no Fee-in-Lieu payment or alternative means of meeting the *BMR* requirement pursuant to Subsection 7.D was made), there shall be a *BMR* requirement of 7% of all units existing following any such work (“Rehab Units”), affordable to Households at 65% of the *AMI* or lower. Such Rehab Units shall comply with Section 7. If, as part of such work, new units are developed, then such new units shall be subject to all of the requirements of this Section 7.
- d. All Senior Housing, including Independent Living Facility and Assisted Living Facility, shall provide at least seven percent (7%) of all units as *BMR Units*. Memory care and hospice care units shall be excluded from this *BMR* requirement. For the purpose of calculating the amount of the fee-in-lieu payment, common and program areas, e.g., dining or recreational facilities, shall not be considered.

7.C.2. Premiums for Developments with Less than Ten (10) Units Providing BMR Units

(224-24)

For smaller *Developments* or other housing not subject to the *BMR* requirements pursuant to Subsection 7.C.1., the following *Premium Density* regulations shall apply:

- a. For *Developments* with at least three (3) but fewer than six (6) units, one (1) *Premium Market Rate Unit* may be provided in addition to the base *Density* permitted in the underlying zoning district if one (1) *BMR Unit* is provided onsite, or a fee-in-lieu payment is made.
- b. For *Developments* with at least six (6) but fewer than ten (10) units, two (2) *Premium Market Rate Units* may be provided in addition to the base *Density* permitted in the underlying zoning district if two (2) *BMR Units* are provided onsite, or a fee-in-lieu payment is made.

For a. and b., the fee-in-lieu shall be calculated as follows:

Gross Residential Floor Area (including Premium Units) * 10% x fee per square foot pursuant to Table 7.2

- c. With the exception of *Permitted Density*, all other zoning requirements of the underlying zoning district shall apply.

7.C.3. Standards for All On-Site BMR Units (224-24)

- a. **Pricing of BMR Units for Sale or Rent.** Studios *BMR Units* shall be priced based on the *Area Median Income (AMI)* for families of 0.9 persons; one-bedroom *BMR Units* shall be priced based on the *AMI* for families of one and one-half persons; two-bedroom *BMR Units* shall be priced based on the *AMI* for families of three persons; and three-bedroom *BMR Units* shall be priced based on the *AMI* for families of four and one-half persons, all at the criteria income levels established in Table 7.1 (for rental units) and Subsection 7.C.5. (for ownership units).
- b. **Policies and Guidelines for BMR Units.** *BMR Units* shall be designed, constructed, sold or rented, managed and controlled as to resale and rental in accordance with such other written administrative policies, definitions and guidelines as adopted by the Zoning Board and/or the City of Stamford, as amended from time to time.
- c. **BMR Units Equivalent to Market Rate Units.** *BMR Units* shall be constructed, maintained, and updated comparably to the *Market Rate Units* within the *Development*, including but not limited to *Floor Area*, layout, interior and exterior finishes, fixtures and amenities.
- d. **Location of BMR Units within Buildings.** *BMR Units* shall be dispersed evenly throughout the *Development* and must not be concentrated on particular floors, within particular sections of a *Building*, or within particular buildings in a *Development* with multiple *Buildings*. There shall be no separate access points for *Market Rate Units* and *BMR Units*.
- e. **Equal Access to Amenities for BMR Residents.** Residents of *BMR Units* shall have the same access to common areas, facilities, amenities and services as residents of *Market Rate Units* in the project, including but not limited to, outdoor spaces, amenity spaces, storage, and other resident services. There shall be no fees for the use of *Standard Amenities* or for the use of a *Parking Space* for one vehicle and bicycle facilities for residents of *BMR Units*. If a *BMR* household owns more than one vehicle, the same parking fees as for the market rate tenants or owners shall apply for all vehicles in excess of the first vehicle. *BMR* tenants and owners shall not be charged higher or additional fees than market rate tenants or owners.
- f. **BMR Unit Size Proportional to Market Rate Unit Size; Alternate Unit Mix.** The number of *BMR Units* defined by size and number of bedrooms shall be proportionate to the overall number of *Dwelling Units* in the project defined by size of the *Dwelling Unit* and number of bedrooms. The Zoning Board may at the request of the Applicant by Administrative Approval permit a different unit mix (unit size and number of bedrooms differing from the overall distribution of *Dwelling Units*). Such different mix of units shall be based on the following equivalencies:

Unit size equivalencies:

Base: 2-Bedroom Unit

One 2-Bedroom Unit equals three Studio units

One 2-Bedroom Unit equals two 1-Bedroom units

One 2-Bedroom Unit equals one 2-Bedroom unit

One 2-Bedroom unit equals 0.75 3-Bedroom units.

- g. **Rental and Ownership BMR Units in the Same Development.** For projects with a combination of rental and owner-occupied Dwelling Units, the ratio of rental to owner-occupied *BMR Units* shall be equal to the ratio of rental to owner-occupied units in the *Development*.
- h. *BMR Units* shall have affordability levels between 40%-50% of *AMI* based on the equivalencies provided in subsection i. below; provided, however that the Zoning Board may, at the request of the Applicant, permit by Administrative Approval, affordability levels above 50% or below 40% of the *AMI*.
- i. **Equivalency of Affordability Levels.** If Affordability Levels other than 50% *AMI* are used, the following equivalencies shall apply and shall take into account the recommendations of the City's Affordable Housing Plan:

Base: One (1) BMR unit at 50%;

One (1) *BMR Unit* at 25% *AMI* equals 2.00 units at 50% *AMI*;

One (1) *BMR Unit* at 30% *AMI* equals 1.56 units at 50% *AMI*;

One (1) *BMR Unit* at 35% *AMI* equals 1.43 units at 50% *AMI*;

One (1) *BMR Unit* at 40% *AMI* equals 1.3 units at 50% *AMI*;

One (1) *BMR Unit* at 45% *AMI* equals 1.15 units at 50% *AMI*;

One (1) *BMR Unit* at 60% *AMI* equals 0.65 units at 50% *AMI*; and

One (1) *BMR Unit* at 65% *AMI* equals 0.55 units at 50% *AMI*; and

For homeownership BMR units only

One (1) *BMR Unit* at 80% *AMI* equals 0.40 units at 50% *AMI*

- j. **Premium Floor Area or Premium Units Only When BMRs Provided On-Site.** Notwithstanding anything to the contrary in these Regulations, no development shall receive *Premium Floor Area* or *Premium Units* unless all *BMR Units* are provided on-site at the Development, except for fee-in-lieu paid for fractional Units and Fee-In-Lieu payments under Section 7.C.2.
- k. **Premium Floor Area or Premium Units Excluded from BMR Calculations.** *Premium Floor Area* or *Premium Units* received for providing *BMR Units* on-site, as defined in the respective District Regulations in Sections 4 and 9 and/or in Appendix B, Table III, shall be excluded from *BMR* requirements.

l. Bonus Floor Area and Bonus Units Subject to BMR Requirements. *Bonus Floor Area* and *Bonus Units* shall be subject to the *BMR* requirements.

m. Replacement of Subsidized, Affordable Housing (including BMR Units) and Existing Market Rate Affordable Housing Units.

(1) **Replacement of Subsidized, Income Restricted or BMR Units.** If, on a *Lot*, any subsidized, income restricted or deed restricted *Affordable Housing Units* currently exists, then, in addition to the new *BMR Units* required, applicant shall replace all such units at a ratio of 1:1 at the same or equivalent affordability levels as the subsidized, income restricted or deed restricted units lost. In case the deed restriction, income limitation or subsidy has expired, and the units are Market Rate Affordable, the rules for *Market Rate Affordable Units* in Subsection (2) below shall apply. In case a redevelopment does not include residential units then the applicant shall make a fee-in-lieu payment for such lost units. In that case, the fee-in-lieu shall be calculated based on the square footage fee for the respective zoning district pursuant to Table 7.3. multiplied by 1,000 and the number of units lost.

(2) **Replacement of Market Rate Affordable Housing Units.** If, on a *Lot*, any *Market Rate Affordable Housing Units* existed (at any time during the three (3) years prior to applying for a Zoning Board approval for a project on such *Lot*), then, in addition to providing the new *BMR Units*, required for such district, applicant shall replace the *Market Rate Affordable Units* lost with *BMR Units* affordable at 65% of *AMI* at a ratio of one additional replacement unit for every 1.5 *Market Rate Affordable Units* lost.

(3) **Limitation on Replacements of Units Lost.** The applicant shall not be required to provide *BMR Units* pursuant to Subsection 7.C.3.m. (2) exceeding 25 20% of the total number of units of the proposed project. (i.e., any *BMR Units* required pursuant to Subsection 7.C.3.m.(1) above shall be in addition to this 25% maximum.)

Examples:

(a) *Market Rate Affordable Units pre-redevelopment: 9*

Proposed development: 100 units; BMR requirement 10% = 10 BMR Units

9 Market Rate Affordable Units lost = 6 replacement units required (0.67x9 units)

Total BMR requirement =16 units (10 new BMR Units plus 6 replacement BMR Units)

(b) *Market Rate Affordable Units pre-redevelopment: 24*

Proposed development: 100 units; BMR requirement 10% = 10 BMR Units

24 Market-Rate Affordable Units lost = 16 replacement units required (0.67x24 units)

Total BMR requirement 26 units (10 BMR units plus 16 replacement units)

Because the maximum number of BMRs to be provided when Market Rate Affordable Housing is replaced is capped at 25%, the total BMR requirement in this example is 25.

(4) Where Subsections 7.C.3.m.(1) or (2) applies, and the proposed project does not contain any residential units, then a fee-in-lieu payment shall be made for such lost units. Said fee-in-lieu payment shall be calculated based on the proposed non-residential *Gross Floor Area* and the current per square foot fee for such district pursuant to Table 7.2.

- n. **Accounting for Assets.** Return-on-Assets Income shall be imputed by excluding the first \$5,000 of assets and multiplying the value of the remaining assets by the HUD passbook rate. Net Household Assets shall not exceed \$100,000 at the time of initial application to lease or purchase a *BMR Unit* and at the time of annual income recertification.
- o. **Preference for Stamford Residents at Initial Leasing.** Preference for 50% of *BMR Units* at initial leasing shall be given to persons living or working in the City of Stamford.
- p. **Initial Leasing by Lottery Only.** For the initial lease-up, BMR tenants shall be determined by two lotteries, one for applicants living or working in Stamford and a second for all eligible applicants. This shall be outlined in the applicable Affordability Plan.
- q. **Phased Development.** Where a project is constructed in phases, the required number of *BMR Units* shall be satisfied at each phase of the development, unless the Zoning Board, by *Special Permit*, approves a different procedure.
- r. **Fees.** No additional fees of any kind (including but not limited to those related to applications, administration, amenities or management of the building) shall be charged other than the approved application fee and optional amenity fees not included in the *Standard Amenities* (e.g., additional storage, pets, event space, etc.). All fees shall be listed in the Affordability Plan and are subject to approval by the Land Use Bureau. No fees in addition to those listed shall be charged without prior approval by the Land Use Bureau.

7.C.4. Standards for Rental On-Site BMR Units (224-24)

- a. *BMR Units* offered for rent shall be restricted to a maximum annual rent, inclusive of all rent, parking for one car, fees (except as set forth in subsection 7.C.3.r above), taxes and basic utilities except telephone and cable, not to exceed 30% of the criteria family income, according to unit type as set forth above in Subsection 7.C.3.a.
- b. The limitation on the maximum amount of rent which may be charged shall remain in full force and effect for so long as the *Building* or development exists, and shall be administered in accordance with written guidelines as adopted and periodically revised by the Zoning Board.
- c. In all rental developments specified in Subsection 7.C.3.a. above, *BMR Units* shall be made available at the percentages and affordable levels (as percentage of the *AMI*) as set forth in Table 7.1:

Table 7.1.

Zoning District	Percentage of units in developments with 10 or more units to be permanently deed restricted as <i>Below Market Rate Rental Dwelling Units</i>	
	% of all units ¹⁾	Affordability level (% of <i>AMI</i>) ²⁾
TCD-D, MRD-D	14%	50%
C-C, C-G, R-HD, SRD-N, SRD-S, V-C	12%	50%
All other Districts	10%	50%
Conversion Units	7%	50%
Rehab Units	7%	50%
Housing for the Elderly	7%	50%

¹⁾ Excluding *Premium Floor Area* and *Premium Units* received for providing *BMR Units* on-site.

²⁾ Subject to Subsection 7.C.3.i

- d. All renters of *BMR Units* shall be recertified annually to assure that they continue to meet the respective maximum income requirements. If, upon recertification, a household’s income exceeds the income limit for the *BMR Unit* by less than 10%, the household shall remain eligible under the *BMR* program. If a household’s income exceeds the income limit for the *BMR Unit* by 10% or more but such income is still below 80% of the *AMI*, the household shall remain eligible to occupy the unit for one year following the recertification. If at the end of such year their income has declined to less than 10% over the income limit for that unit, the household shall remain eligible. For example, below 60% for a 50% *AMI* unit. If a household’s income exceeds 80% of the *AMI*, that household shall be notified in writing they will no longer be eligible to occupy the unit and within 90 days after such notification, the household must vacate the unit.
- e. Renters of *BMR Units* shall only be permitted to apply for a different *BMR Unit* in this program if they no longer meet the requirements of the *BMR Unit* assigned to them, for example because of a change in family size or income.

7.C.5. Standards for On-Site Ownership BMR Units (224-24)

- a. In all home-ownership developments specified in Subsection 7.C.1 above, 50% of all required *BMR Units* shall be made available for sale to *Eligible Households* earning 65% or less of the *AMI*, and an additional 50% to *Eligible Households* earning 80% or less of the *AMI*.

- b. *BMR Units* offered for sale (both the first sale and all subsequent resales) shall be limited to a selling price that is affordable to a purchaser with an income not exceeding the family income defined in Subsection 7.C.5.a., according to unit type as set forth above, based on industry-standard mortgage underwriting guidelines, and based on prevailing interest rates and a three percent (3%) down payment. The initial sale price for a *BMR Unit* shall be set at a level where monthly housing cost (which shall include debt service at prevailing interest rates for a 30-year conventional mortgage, down payment of three percent (3%), condominium or related common charges, real estate taxes, and parking fees for one vehicle) does not exceed thirty percent (30%) of household income, based on a household size of one (1) person per bedroom.
- c. *BMR Units* offered for sale shall remain subject to resale restrictions for so long as the *Building* or *Development* exists, with a selling price that is affordable to a purchaser with an income not exceeding the family income defined in Subsection 7.C.5.a. and based on the guidelines set forth in Subsection 7.C.5.b. *BMR* sale and resale requirements shall be administered in accordance with written guidelines as adopted and periodically revised by the Zoning Board, with suitable restrictive covenants in deeds, running with the land and senior to all financing instruments, to carry out and effectuate these obligations.
- d. Should an applicant not be able to sell some or all the required *BMR Units* within one year of the issuance of a final Certificate of Occupancy for a *BMR Unit*, the unsold home ownership units may, by *Administrative Approval* by the Zoning Board, be rented out to Eligible Households earning 50% or less of the *AMI* for a lease term of at least one (1) year. Following expiration of the initial one (1) year lease term, if the applicant finds an eligible buyer other than the renter of a the *BMR Unit*, the applicant must grant the current renter at least three months from the date of closing to vacate the *BMR Unit*.
- e. *BMR Units* which are offered for sale must be occupied by the owner at all times and may not be rented out by the owner.

7.C.6. Fee-in-Lieu Payment (224-24)

A *BMR* requirement may be satisfied, in whole or in part, through the payment of a “fee-in-lieu” cash contribution to the City of Stamford Affordable Housing Trust Fund.

Notwithstanding any other provisions of this Section 7 to the contrary, the cash contribution shall be determined based on a fee per square foot for the percentage of *Residential Gross Floor Area* set forth in table 7.2. All fee-in-lieu payments shall be made prior to the issuance of a Building Permit for the *Market Rate Units*.

Table 7.2. (221-11; 224-24)

Zoning District	Percentage of <i>Residential Gross Floor Area</i> subject to fee	Fee per square foot, 1/1/2024
TCD-D, MRD-D	14%	\$200

C-C, C-G, R-HD, SRD-S, SRD-N	12%	\$200
MX-D, R-H	10%	\$200
V-C	12%	\$150
All other districts	10%	\$150
Conversion units	7%	\$125
Rehab units	7%	\$125
Housing for the Elderly	7%	\$125

The fee-in-lieu per square foot shall be increased automatically on every January 1st by the increase of the Construction Cost Index as published by the Engineering News Record with January 1, 2024 as the base month.

7.D. ALTERNATIVE METHODS OF COMPLIANCE (224-24)

Pursuant to an application for *Special Permit*, the Zoning Board, at its sole discretion, may approve one or a combination of the alternative methods of satisfying a *BMR* requirement as provided for below.

Any proposed alternative method shall demonstrate to the satisfaction of the Zoning Board that the alternative method will further affordable housing opportunities as supported by the current Stamford Affordable Housing Plan to a greater extent than the provision of on-site *BMR Units*, either through the production of a greater number of *Affordable Housing Units*, larger bedroom size units, or units for families below the required targeted income brackets. The dedication of land shall not be a permitted alternative method of compliance.

7.D.1. Deed Restriction of Off-Site Existing Units (224-24)

Subject to *Special Permit* approval by the Zoning Board, the *BMR* requirement may be satisfied by permanently deed-restricting off-site rental or home ownership *Dwelling Units* within the City, the form and content of which is acceptable to the Zoning Board (by approval of a *Special Permit*), and which is recorded on the land records and senior to all financing instruments. All such units shall comply with the requirements for on-site units under Section 7. These *Units* shall be subject to the following standards:

- a. The total value of the off-site units provided shall be equal to or greater than the onsite *Market Rate Units*. This value should consider number and size of *BMR Units*, affordability levels, location, architectural design, quality of finishes, amenities, unit mix, parking and be generally consistent with all applicable standards of this Section 7;
- b. Such units shall not displace any existing *BMR*, subsidized, income restricted or *Market Rate Affordable Housing Units*; and

- c. Such *BMR Units* must be provided prior to the issuance of the first Temporary Certificate of Occupancy, any Partial Certificate of Occupancy or the first Certificate of Occupancy for the *Market-Rate Units* in the *Development*.

7.D.2. Off-Site Construction of BMR Units (224-24)

Subject to *Special Permit* approval by the Zoning Board, the *BMR* requirement may be satisfied through the off-site construction or substantial rehabilitation (also known as a “gut rehab”) and permanently deed restriction of *BMR Units* within the City of Stamford, subject to the following standards:

- a. The total value of the off-site *BMR Units* provided shall be equal or greater to the value if the units were provided on-site. This value should consider number and size of *BMR Units*, affordability levels, location, architectural design, quality of finishes, amenities, unit mix, parking and shall be generally consistent with the requirements for on-site units under this Section 7.;
- b. Such units shall not displace any existing subsidized, income restricted, *BMR* or *Market Rate Affordable Housing Units*; and
- c. Such *BMR Units* must be provided prior to the issuance of the first Temporary Certificate of Occupancy, any Partial Certificate of Occupancy or the first Certificate of Occupancy for the *Market-Rate Units* in the *Development*.

7.E. MANAGEMENT OF THE BMR PROGRAM

7.E.1. Affordability Plans Required (224-24)

All developments requiring the provision of *BMR Units* pursuant to this Section 7. shall be accompanied by a management plan (“Affordability Plan”).

For projects requiring *Special Permit*, or Final Site and Architectural Plan and Requested Uses approval, or any other Zoning Board approval, a draft Affordability Plan shall be submitted and is subject to Zoning Board approval concurrently with these actions. For as-of-right developments, the draft Affordability Plan is subject to review and approval by the Zoning Board staff prior to issuance of a Building Permit. No first Temporary Certificate of Occupancy, any Partial Certificate of Occupancy or the first final Certificate of Occupancy shall be granted without a complete and approved final Affordability Plan. Minor Modifications to approved Affordability Plans shall be subject to approval by the Land Use Bureau Chief or designee.

7.E.2. Contents of the Affordability Plan (224-24)

The Affordability Plan shall include the following:

- a. General information about the nature and scope of the development subject to these regulations.
- b. The total number of Market Rate Housing units, designated *BMR Units* in the development and affordability levels assigned to each designated unit.

- c. The size (number, bedrooms, bathrooms, and square footage) for each *Market Rate Housing Unit* and *BMR Unit* in the development.
- d. The combined approximate square footage of all *BMR Units* and all *Market Rate Housing Units* without common areas such as hallways, amenity spaces, etc.
- e. The approximate location of each *BMR Unit* within any multifamily residential Structure.
- f. The person or organization responsible for administering the Affordability Plan, including the application procedures and screening criteria to determine the income eligibility of applicants, and reporting and enforcement mechanisms.
- g. Provision for the selection of buyers or tenants and affirmative fair marketing procedures governing the sale or rental of the *BMR Units*.
- h. The pricing of each *BMR Unit* and the basis for their determination, including all fees and common charges associated with the *Building*, e.g., for parking. Final pricing of rental and ownership *BMR Units* shall be re-determined at the time of issuance of the Certificate of Occupancy, based on changes in the area median income and prevailing mortgage interest rates and any changes in the administrative guidelines. A completed Utility Allowance form showing expected monthly utility expenses for which the tenant is responsible shall be provided.
- i. Plans for income verification of tenants and buyers.
- j. Plans for management of *BMR Units*, particularly with respect to maintenance and assurance of long-term affordability. New fees and charges should not make units unaffordable.
- k. Applicant's relocation plans for tenants affected by substantial rehabilitation projects (e.g., required to move out) or by the demolition of the existing building.
- l. Timetable for the completion of *Market Rate Housing Units* and *BMR Units* on a pro-rata basis.
- m. Amenities available to tenants and buyers, including tenants and buyers of *BMR Units* and conditions of use, such as fees.
- n. Annual reports demonstrating compliance with the requirements of this Subsection 7.E shall be submitted to the Land Use Bureau for the life of the *Building*. Such reports shall be submitted no later than January 31 of each year. Failing to submit such report on time shall be considered a Zoning Violation pursuant to the City of Stamford Code Chapter 248 (Zoning), with each day being a separate violation.

The Zoning Board may request additional information in conjunction with its review and may reject any application not providing the minimum Affordability Plan elements noted above.

7.E.3. Administration of the BMR Program by the City or a Third Party

The City of Stamford may, at the discretion of the Zoning Board and under an agreement acceptable to the City's Law Department, at any time assume management of rental *BMR Units* and the resale of ownership *BMR Units*, or delegate such responsibilities, for rental and ownership units to a third party. The applicant or then owner of the *Building* shall pay a reasonable fee to cover the cost of administration of the *BMR Units*.

7.E.4. [Reporting] (224-24)

Land Use Bureau staff shall annually prepare a report and submit it to the Zoning Board by no later than January 15 on the *BMR* program for the prior calendar year.

AMEND definition for "Affordable Housing" in Section 3.B., Definitions, as follows:

***Affordable Housing or Affordable (Housing) Unit* (220-13, 224-24)**

Affordable Housing or an *Affordable (Housing) Unit* is all housing, for which the sale price, the rent or the rent increase is restricted for at least 30 years, or, in the case of *BMR Units*, permanently deed restricted, beginning with the final Certificate of Occupancy, by deed restriction, covenant or other legal instrument, running with the land and senior to all financing instruments. Affordable means that the housing cost (either mortgage or rent payments, parking for one vehicle and applicable basic utilities (except telephone and cable), fees and taxes) of a household earning 80% or less of the *Area Median Income (AMI)*, adjusted by household size, does not exceed 30% of the gross income of said household. "*Deeply Affordable Housing*" is all housing affordable to households earning 30% or less of the *AMI*.

SEE ALSO: *Market Rate Housing* and *Market Rate Affordable Housing*.

AMEND definition for "Below Market Rate Dwelling Unit" in Section 3.B., Definitions, as follows:

***Below Market Rate Dwelling Unit (BMR, BMR Unit)* (220-13, 224-24)**

A *Below Market Rate Dwelling Unit (BMR, BMR Unit)* is a *Dwelling Unit* permanently deed restricted (with such restriction running with the land and senior to all financing instruments) as to households not earning more than 65% for rental units, or 80% for ownership units of the *Area Median Income*, based on the most current statistics of median family income for the Stamford Standard Metropolitan Statistical Area (SMSA) as published and periodically revised by the U.S. Dept. of Housing and Urban Development.

AMEND definition for "Market Rate Housing" in Section 3.B., Definitions, as follows:

***Market Rate Housing or Market Rate Unit* (220-13, 224-24)**

Market Rate Housing or *Market Rate Unit* is housing for which the sales price, the rent or the rent increase is not regulated or limited by covenant, deed restriction or other legal instrument, or when such

restriction is for less than 30 years, regardless of the actual amount of the rent or sales price. SEE ALSO: *Affordable Housing*.

AMEND Definition for Floor Area, Premium in Section 3.B., Definitions, as follows:

Floor Area, Premium, or Premium Unit (224-24)

Premium Floor Area or *Premium Units* are the development rights that can be used if all required *Below Market Rate Housing Units* are provided on site (except under Subsections 7.C.1.d and c.2). The *Premium Floor Area* is calculated by utilizing the *Premium Floor Area Ratio*; the number of *Premium Units* in zoning districts where density is determined in Units per acre is calculated by utilizing the applicable district regulations. *Premium Units* or *Premium Floor Area* shall not be subject to the *BMR* requirements.

Under no circumstances shall the total of all applicable *Bonus* and *Premium Floor Areas* or number of *Premium* and *Bonus Units* exceed 33% of the permitted *Base Floor Area* or *Density*. (219-26)

AMEND Definition for Floor Area, Bonus in Section 3.B., Definitions, as follows:

Floor Area, Bonus or Bonus Unit (223-11, 224-24)

Bonus Floor Area or *Bonus Units* may be awarded to a *Development* if it incorporates certain desirable features, provides certain amenities or helps achieve policy and planning goals as laid out in the City's *Master Plan* or other official policy documents. *Bonus Floor Area* or *Bonus Units* may only be awarded by the Zoning Board, by *Special Permit*, as specified in these Regulations.

Under no circumstances shall the total of all applicable *Bonus* and *Premium Floor Areas* or number of *Premium* and *Bonus Units* exceed 33% of the permitted *Base Floor Area* or *Density*.

All *Bonus Floor Area* or *Bonus Units* shall be subject to the *BMR* requirements.
