**PROJECT:** Davenport Ridge Elementary School  
1300 Newfield Street  
Stamford, Connecticut

**SUBJECT:** Courtesy Notification Regarding No Children under Age 18  
During Asbestos Abatement

Dear Mr. Dalhem:

I am writing to inform the Connecticut Department of Public Health (CTDPH) that asbestos abatement is being conducted at Davenport Ridge Elementary School located at 1300 Newfield Street in Stamford, Connecticut during no student/children occupancy. Asbestos abatement is scheduled to be conducted starting Friday, March 29, 2019, at 4:00 PM and be completed by Sunday, March 31, 2019, at 11:00 PM.

Work scheduled to be conducted includes removal of approximately 2,000 square feet of drywall and asbestos joint/taping compound, 320 square feet of asbestos cement board, 200 square feet of wall glue, and 8 square feet of pipe fitting insulation from classrooms 28 and 29. Abatement work is being conducted by A.A.I.S, Inc., a CTDPH-licensed Asbestos Abatement Contractor (license #000017). Asbestos project monitoring and final re-occupancy air clearance sampling via Transmission Electron Microscopy (TEM) will be performed by Tighe & Bond, Inc.

Should you have any questions regarding this courtesy notification, please contact Kevin McCarthy, Tighe & Bond, Inc., at (860) 704-4785.

Respectfully,

Earl Kim  
Superintendent of Schools
