PROJECT: Davenport Ridge Elementary School
1300 Newfield Avenue
Stamford, Connecticut

SUBJECT: Courtesy Notification Regarding No Children under Age 18
During Asbestos Abatement

Dear Mr. Dahlem:

On behalf of the Superintendent of the City of Stamford Public Schools, I am writing to inform the Connecticut Department of Public Health (CTDPH) asbestos abatement is being conducted at Davenport Ridge Elementary School located at 1300 Newfield Avenue in Stamford, Connecticut, during no student/children occupancy. Asbestos abatement is scheduled to be conducted on Friday, January 17, 2020, starting at 4:30 PM, and be completed by Monday, January 20, 2020, at 11:00PM.

Work scheduled to be conducted includes removal of approximately 2,000 square feet (SF) of sheetrock taping, 320 SF of transite board, 15 SF of pipe insulation, and 200 SF of wall glue from Classrooms 6 and 7. Abatement work is being conducted by A.A.I.S, Inc., a CTDPH-licensed Asbestos Abatement Contractor (license #000017). Asbestos project monitoring and final re-occupancy air clearance sampling via Transmission Electron Microscopy (TEM) will be performed by Tighe & Bond, Inc.

Should you have any questions regarding this courtesy notification, please contact Meredith Febbraio, Tighe & Bond, Inc., at (203) 712-1140.

Respectfully,

Kevin McCarthy
Facilities Manager
City of Stamford Public Schools
